Assignment

I, Michele GRIMALDI, residing in Italy, represent that I have invented a new and useful "MOVABLE PLATFORM ASSEMBLY WITH TRANSLATION SYSTEM", for which I have executed a patent application on April 12, 2021, under U.S. Pat. App. No. 17/227,478, claiming priority to Italian Pat. App. No. 10202000007795, filed on April 14, 2020 in the name of OPACMARE S.R.L.

OPACMARE S.R.L. is organized and existing under the laws of Italy, has a place of business at Piazza San Carlo 197, I-10123, Italy, and desires to acquire the entire right, title and interest in and to the invention, application and letters patent to be granted and issued thereon, including but not limited to rights in the United States.

For valuable consideration, the receipt and legal sufficiency of which I acknowledge, I have sold and transferred, agree to sell and transfer, and do hereby sell, assign, transfer and set over unto OPACMARE S.R.L, its successors and assigns, the entire right, title and interest in and to the invention and all improvements thereon, in and to the application for letters patent thereon (U.S. Pat. App. No. 17/227,478), in and to applications pertaining to or based upon the invention and/or application, including divisional and continuing applications and continuations-in-part, and in and to any and all letters patent which may be granted and issued on the invention and applications, or any of them, in the United States of America, its territories and possessions, and in all countries foreign thereto, together with and including all priority rights based upon any and all applications in the United States of America covered by this Assignment.

I also agree that I will, at the request of OPACMARE S.R.L, execute any and all applications for letters patent for the invention, execute any and all other papers and documents and do all other and further lawful acts that OPACMARE S.R.L, may deem necessary or desirable to obtain letters patent on the invention, to secure the grant of such letters patent and to protect and vest in OPACMARE S.R.L, the undivided interests in the right, title and interest in the invention, applications and letters patent. Counterpart and electronic signatures are acceptable.
