CONFIRMATORY INTELLECTUAL PROPERTY ASSIGNMENT

This Agreement is provided in recognition that all intellectual property rights developed by me alone, or jointly with others, in connection with my duties, obligations, responsibilities, services and/or role as an employee of and/or independent contractor to **iGPS Logistics, LLC**, a Delaware limited liability company, with offices at 225 E. Robinson Street, Suite 200, Orlando, FL 32801 ("**iGPS**"), are to be owned by iGPS.

Accordingly, and in consideration of the monies previously received by me from iGPS together with and in further consideration of the disclosure by iGPS to me of confidential and other information to enable me to perform my responsibilities, which information is not generally known and which is proprietary to the iGPS and relating to the iGPS's business, all of which is recognized as valuable consideration, the receipt and sufficiency of which is hereby acknowledged:

I, **Ellwood Phillip Hunt, III**, an individual having a mailing address at of 9950 Oak Quarry Drive, Orlando, Florida 32832 hereby transfers and assigns, to iGPS, all right, title and interest in and to any and all inventions, works of authorship, trademarks, concepts, designs, developments, ideas, improvements, software, know-how, and trade secrets, whether or not patentable or registrable under copyright or similar laws, including the invention identified in **Exhibit A**, which I solely or jointly conceived or developed or reduced to practice, or caused to be conceived or developed or reduced to practice, during the period of time of my employment by iGPS (or engagement as an independent contractor to iGPS), together with all patent rights, trademark rights, copyright rights, and all other intellectual and industrial property rights and all causes of action (including the right to sue for past, present and future infringements relating to any of the foregoing, (collectively referred to as "**Inventions**"), provided that said Inventions: (i) result, in whole or in part, from use of equipment, supplies, facilities or the proprietary information of iGPS; (ii) are/were developed, in whole or in part, during the hours for which I was compensated by iGPS; (iii) relate to the business of iGPS or to its actual or demonstrably anticipated research and development; or (iv) result from and/or are suggested by, in whole or in part, work performed by me for iGPS.

I covenant that I have not executed and will not execute any agreement in conflict herewith and agree that I will communicate to iGPS, its successors, assigns, nominees, or other legal representatives, all facts known to me respecting said Invention(s), whenever requested, and testify in any legal proceedings, sign all lawful papers, execute all divisional, continuing, and reissue applications, make all rightful oaths, and do all lawful acts requisite for the application for such divisional, continuing, or reissue applications,

or the procuring thereof, and that if and when iGPS, its successors, assigns, nominees, or other legal representatives desire to file a disclaimer relating thereto, I will, upon request, sign all lawful papers requisite for the filing of such disclaimer. I further covenant and agree that I will, at any time upon request, do everything legally possible to aid iGPS, its successors, assignees, nominees, or other legal representatives, either in its or their own names, to apply for, obtain, and enforce proper patent and/or Utility Model protection for said Invention(s) in all countries, all without further consideration but at the expense of iGPS, its successors, assigns, nominees, or other legal representatives.
