PATENT ASSIGNMENT

For good and valuable consideration as stated below, the receipt of which is hereby acknowledged, the undersigned Assignor do(es) hereby sell, assign, and transfer to the Assignee, and its successors, assigns, and legal representatives, the right, title and interest as stated below for the United States and for all foreign countries, in and to any and all improvements which are disclosed in the below patent(s) and patent application(s).

The assignment includes all provisional, utility, design, divisional, continuing, substitute, renewal, reissue, and all other patent applications which have been or shall be filed in the United States and all foreign countries on any of the improvements; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on the improvements; and in and to all rights of priority resulting from the filing of the assigned patent(s) and patent application(s).

The Assignee may apply for and receive patents for the improvements in its own name; and that, when requested, without charge to, but at the expense of, the Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this Assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all the improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to the Assignee, its successors, assigns, and representatives, all facts known to the undersigned relating to the improvements and the history thereof; and generally do everything possible which the Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for the improvements and for vesting title to the improvements and all applications for patents and all patents on the improvements, in the Assignee, its successors, assigns and legal representatives.

Assignor Covenants with the Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that the undersigned possesses full right to convey the same.
