QUITCLAIM ASSIGNMENT

NATIONAL UNIVERSITY OF SINGAPORE, having a place of business at 21 Lower Kent Ridge Road, Singapore 119077 (hereinafter "NUS") and THE BRIGHAM AND WOMEN'S HOSPITAL, INC., having a place of business at 75 Francis Street, Boston, Massachusetts 02115 (hereinafter "BWH"), hereby acknowledges that Daniel Geoffrey Tenen and Kol Jia Yong (hereinafter "the two inventors") each assigned to NUS and BWH, by an Assignment dated October 23, 2012 (hereinafter "the Assignment"), their entire right, title, and interest throughout the world in and to the inventions and improvements that are the subject of and described and/or claimed in an application for United States Patent, entitled "SPALT-LIKE TRANSCRIPTION FACTOR 4 (SALL4) AND USES THEREOF," filed on March 18, 2014, and assigned U.S. Serial Number 14/345,603, and any and all U.S. and foreign patents, utility patents and models, continuations, continuations-in-part, divisionals, reexaminations, reissues, and design registrations granted for any of said inventions or improvements (referred to collectively as "the Application");

NUS and BWH further acknowledges that the two inventors have an obligation to assign their respective rights in the Application solely to NUS, and thus the two inventors did not have the right to assign their respective rights in and to the Application jointly to NUS and BWH;

NUS and BWH further acknowledges that the Assignment executed by the two inventors and purporting to assign their respective rights in and to the Application jointly to NUS and BWH was inadvertently executed in error and the Assignment is hereby declared null and void, and that NUS and BWH should reassign any rights it may have in and to the Application back to the two inventors with the understanding that the two inventors will promptly execute an Assignment of their entire right, title, and interest in and to the Application to NUS.

Therefore, by this Quitclaim Assignment, all rights in the Application assigned by Daniel Geoffrey Tenen and Kol Jia Yong to NUS and BWH by the Assignment are hereby reassigned to Daniel Geoffrey Tenen and Kol Jia Yong.

The Assignor hereby executes this Assignment.
