ASSIGNMENT AGREEMENT

Clear-vu Lighting LLC is the owner of the patents and patent applications listed in Schedule A.

Autronic Plastics, Inc. wishes to acquire the entire right, title and interest in the patents and patent applications listed in Schedule A, including the right to recover for any and all infringement thereof, including damages for past infringement, whether in the form of lost profits, a reasonable royalty, or otherwise.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Clear-vu Lighting LLC hereby makes the following assignment:

To **Autronic Plastics, Inc.** d/b/a Clear-vu Lighting, a corporation organized under the laws of the State of New York, having a business address of 1150 Motor Parkway, Central Islip, NY 11722, and its successors and assigns, Clear-vu Lighting LLC hereby:

1) assigns, transfers, and conveys the entire right, title and interest, including all rights of action and the right to recover for any and all infringement thereof, including damages for past infringement occurring prior to the date of this assignment, whether in the form of lost profits, a reasonable royalty, or otherwise, to

(i) the inventions described in the patents and patent applications listed in Schedule A and to

(ii) the patents and patent applications listed in Schedule A and to

(iii) any patent application claiming the benefit of or priority to any of the patents or patent applications listed in Schedule A as well as to

(iv) any substitute, continuation, continuation-in-part, or divisional application filed thereon and to any patent that issues from such application(s) as well as to

(v) any reissue patent or reexamined patent resulting from such patent(s);

2) ; and

authorizes and requests the Commissioner of Patents and Trademarks to issue any letters patent of the United States relating to the inventions described in the patents and patent applications listed in Schedule A in the name of Autronics Plastics, Inc.

IN WITNESS WHEREOF, I have executed this document with an effective date of October 31, 2019.
