P A T E N T A S S I G N M E N T

This assignment made on the date indicated below by RockItFormer, LLC, having a place of business at 1834 N. Sepulveda, Manhattan Beach, CA (Assignor) to RockIt Body Pilates, LLC having a place of business at 11684 Ventura Blvd., Suite 112, Studio City, CA (Assignee);

WHEREAS, Assignor has invented a new, original and useful invention entitled Pilates Exercise Machine (Invention) for which a United States patent application was filed on August 13, 2018 as Application No. 16/102,609, now U.S. Patent No. 10,272,281, further identified by Cisko & Thomas' Docket No. 18-30873 (Patent Application);

WHEREAS, Assignor believes herself to be the original inventor of the claimed invention in the Patent Application;

WHEREAS, the above-identified Patent Application was made or authorized to be made by Assignor; and

WHEREAS, Assignee desires to acquire by formal, recordable assignment Assignor's entire right, title, and interest in and to said Invention, and said Patent Application in the United States and throughout the world.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns, and transfers to Assignee, her entire right, title, and interest in and to said Invention, and said Patent Application for said Invention in the United States and throughout the world, including the exclusive right to file any provisional, design, non-provisional,

divisional, continuation, continuation-in-part, reissue, foreign, or other application based on the Invention directly in the name of Assignee and to claim any priority rights to which such application is entitled under international conventions, treaties, or otherwise.

Further Assignor agrees that, upon request and without further compensation, but at no expense to Assignor; Assignor, her legal representatives, and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing, or enforcing said Patent Application in the United States and throughout the world for said Invention, and for perfecting, recording, or maintaining the title of Assignee, its successors and assigns, to said Invention, and said Patent Application filed, and any patent granted for said Invention in the United States and throughout the world.

Assignor represents and warrants that she has not granted and will not grant to others any rights inconsistent with the rights granted herein.

Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Patent granted for said Inventions, whether on an application for said Invention, said Patent Application, or on any subsequently filed provisional, non-provisional, divisional, continuation, continuation-in-part, reissue, or other application, to Assignee, its successors and assigns, as the assignee of their entire interest in said Invention.

Assignor hereby acknowledges that any willful false statement made in this assignment is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more

than five (5) years, or both.

IN WITNESS WHEREOF, Assignor has executed this Assignment as set forth
below.
