ASSIGNMENT

For valuable consideration, the receipt and sufficiency of which is acknowledged, I, **Joseph Fleming**, (hereinafter referred to as Assignor), hereby assign and transfer to **Hub Pen Company, Inc.**, a corporation of **Massachusetts**, having a place of business at **1525 Washington Street, Braintree, Massachusetts 02184**, United States of America, its successors and assigns (collectively hereinafter called "the Assignee"), the entire right, title, and interest in and throughout the world in and to the inventions and improvements which are disclosed in or the subject of the applications and Letters Patents as may issue therefrom as listed below, including the right to sue for past infringement to collect for all past, present and future infringements, and claims for damages and the proceeds thereof, including, without limitation, license royalties and proceeds of infringement suits and all rights corresponding thereto throughout the world by reason of any past and future acts of infringement that have occurred or may occur, which is identified by the Attorney Docket Number listed below for which Assignor is filing an application of United States Letters Patent herewith (hereinafter the "Application").

| Docket No. | Title |
|----------------------|-------|
| HUBP-080-2016D MEEMO | Pen |

This assignment includes: (i) the Applications; (ii) continuations, divisionals and other United States applications which claim priority to the Applications; (iii) all foreign and international applications which claim priority to the Applications; (iv) any and all United States and foreign patents, utility models, inventors' certificates, and design registrations granted for any of the inventions or improvements disclosed in or the subject of the Applications, and (v) the right to claim priority based on the filing date of the Applications under the United States Code, the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other statutes or treaties of like purposes.

Assignor authorizes the Assignee to apply in all countries in his name or in its own name for patents, utility models, design registrations, inventors' certificates and like rights of exclusion for any inventions or improvements which are disclosed in or the subject of the Applications. Assignor agrees for himself and his respective heirs, legal

representatives, successors and assigns, without further compensation, to perform such lawful acts and to sign such further applications, assignments, preliminary statements and other lawful documents as the Assignee may reasonably request to effectuate fully this Assignment.

I do hereby authorize and request the Commissioner of Patents of the United States to issue such Letters Patent as shall be granted upon said application or applications based thereon to said ASSIGNEE, its successors, assigns, and legal representatives.

In testimony whereof, Assignor has hereunto set his hand this 7th day of August, 2015.
