ASSIGNMENT

WHEREAS I, Jonathan Thompson, a citizen of the United States and resident of the State of Minnesota, have made an invention disclosed in a design application for United States Letters Patent entitled:

"Funnel Apparatus", filed April 26, 2019 with the U.S. Patent and Trademark Office as Application Serial No. 29/689,049, and further identified by Attorney Docket No. 2019-6899.CON.DES (hereinafter "the Application"); and

Unified Science, LLC, a limited liability company organized and existing under the laws of the State of Minnesota, and having a principal place of business at 15911 Furuby Road, Center City, Minnesota 55012 is desirous of acquiring the Application and the invention disclosed therein ("Invention"), and any and all United States and foreign patents that may be granted on said Invention and/or Application;

NOW, THEREFORE, Be It Known that for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, I, Jonathan Thompson, have sold, assigned and transferred, and do hereby sell, assign and transfer Unified Science, LLC, my entire right, title and interest in and to said Invention, said Application, and any and all United States and foreign patents that may be granted on said Invention and/or Application.

I covenant that I have not executed any instrument or taken any action contrary to this Assignment, nor will I do so in the future, and further covenant that I or my executors, administrators, representatives or assigns will execute all papers, assignments or other documents as requested by Unified Science, LLC will provide testimony by affidavit or otherwise on behalf of Unified Science, LLC in any proceeding before the U. S. Patent and Trademark Office, foreign patent office, state or federal court, or other decision-making body, and in general will cooperate fully with Unified Science, LLC or its successors and assigns in the endeavor to secure, perfect, maintain or enforce any rights under said Invention and any patents granted on said Invention and/or Application.

The Commissioner of Patents, and the officials with comparable authority over patents in foreign countries, are hereby authorized and directed to issue, in accordance with this Assignment, any and all patents granted on the said Invention and/or Application.

Signed at Oseola, WI, this 24 day of April, 2021.
