PATENT

REEL: 056039 FRAME: 0109

ASSIGNMENT

WHEREAS, **Timothy L. Hack**, an individual having an address at 2275 Dexterville Oak Ridge Rd., Morgantown, KY 42261 (the "Assignor"), has acquired the entire right, title, and interest in certain inventions as identified in the patent applications and issued patents listed in the attached **Appendix A** (the "Inventions");

AND WHEREAS, **Kentucky Tools, LLC**, a Kentucky limited liability company, having place of business at 2303 Dexterville Oak Ridge Rd., Morgantown, KY 42261 (the "Assignee"), is desirous of acquiring the entire right, title and interest in and to the Inventions, improvements thereto, and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by Assignor, Assignor does hereby assign, transfer, convey, and deliver unto Assignee, its legal representatives, successors, and assigns, and Assignee hereby accepts from Assignor, the entire right, title and interest in and to the Inventions, including, without limitation, any applications, divisions, continuations, continuations-in-part, renewals, reissues, reexaminations, foreign filings, and any extensions thereof, and any and all patents of the United States and foreign countries which may be issued for said inventions or improvements thereto, including the right to sue for past, present, and future infringement thereof;

UPON SAID CONSIDERATIONS, Assignor hereby agrees with the said Assignee that it will not execute any writing or do any act whatsoever conflicting with these presents, and that it will, at any time upon request, without further or additional consideration but at the expense of the said Assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuation, continuation-in-part, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on

patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assignor and legal representatives of Assignor and Assignee;

AND Assignor requests the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said inventions to said Assignee, its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patent and the inventions covered thereby.
