ASSIGNMENT

This Assignment is made by me, Nicholas Crabtree, a citizen of the United States of America, residing at 160 Holly Hills Drive, Greenville, County of Pitt, State of North Carolina, 27858, hereinafter referred to as "Assignor".

WITNESSETH: That;

WHEREAS, I am an inventor of certain new and useful improvements in a **HOURLASS SHAPED BLOOD FRACTIONATION TUBE** for which I have made a design application for Letters Patent of the United States, Application Serial Number 29/700,467 filed August 2, 2019;

I am an inventor of certain new and useful improvements in a **HOURLASS SHAPED BLOOD FRACTIONATION TUBE AND SYSTEM** for which I have made a utility application for Letters Patent of the United States, Application Serial Number 17/086,370 filed October 31, 2020, and claiming the benefit of provisional application 62/929,165 filed November 1, 2019; and

WHEREAS, Placidem, LLC, a corporation duly organized and existing under the laws of the State of North Carolina and having a principal place of business at 1020 Red Banks Road, Suite 150, Greenville, North Carolina, 27858, hereinafter referred to as "Assignee", is desirous of acquiring the entire right, title and interest in and to said invention as described in the specification executed by me, and any and all Letters Patent which shall be granted therefor;

NOW, THEREFORE, To All Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, the said Assignor, have sold, assigned, transferred and set over unto the said Assignee, its successors and assigns, the entire right, title and interest in and to the above-mentioned applications and inventions and in and to any and all Letters Patent of the United States which may hereafter be granted therefor, and in any and to any and all continuations, continuations-in-part, substitutions, divisions or reissues of said Letters Patent, the same to be held and enjoyed by the said Assignee, for its interest, and for its own use and behalf, and the use and behalf of its successors and assigns, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by us had this assignment and sale not been made.

And for the consideration aforesaid, I hereby covenant and agree to and with the said Assignee, its successors and assigns, that at the time of the execution and delivery of these presents I am the lawful owner of the entire right, title and interest in and to the inventions, applications and Letters Patent above-mentioned and that the same are unencumbered, and that I have good right and lawful authority to sell and convey the same in the manner herein set forth.

And for the consideration aforesaid, I hereby covenant and agree to and with the said Assignee, its successors and assigns, that I will, whenever its counsel or the counsel of its successors and assigns, learned in the law, shall

advise that an amendment, division, continuation, continuation-in-part, or substitution of, or any other proceeding in connection with said applications, including interference proceedings, is lawful and desirable, sign all papers and drawings, take all rightful oaths, and do all acts necessary or required to be done for the procurement of valid Letters Patent for said invention, or for the reissue of the same without charge to our said Assignee, its successors or assigns, but at its or their expense.

I hereby request the Commissioner for Patents to issue the Letters Patents in accordance with this instrument.

For the consideration aforesaid, I have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto the said Assignee, its successors, assigns or nominee, the entire right, title and interest in and to any and all Letters Patents for said invention which may be granted in countries foreign to the United States and in and to any applications for Letters Patent which may be filed for said invention in countries foreign to the United States and in and to the invention described in said applications; and I hereby authorize and empower the said Assignee, its successors, assigns or nominees to apply for Letters Patents or other form of protection on said invention in its own name or in the name of its successor, Assignee, or nominee, in any and all countries where it may desire to file such applications and where said applications may be filed by another than the inventor; and I hereby covenant and agree to sign all papers and drawings, take all rightful oaths, and do all acts

necessary or required to be done for procurement of Letters Patents, or other form of protection, for said inventions or inventions in countries foreign to the United States, and for further investing or confirming the right and title therein to the Assignee, its successors, assignee, or nominee, without charge to our said Assignee, its successor, assignee or nominee, but at its or their expense.

IN WITNESS WHEREOF, I have hereunto set my hand and seal on the date indicated below.

ASSIGNMENT

This Assignment is made by me, Adam Paul Burke, a citizen of the United States of America, residing at 825 Gull Point Road, Wilmington, County of New Hanover, State of North Carolina, 28405, hereinafter referred to as "Assignor".

WITNESSETH: That;

WHEREAS, I am an inventor of certain new and useful improvements in a **HOURLASS SHAPED BLOOD FRACTIONATION TUBE** for which I have made a design application for Letters Patent of the United States, Application Serial Number 29/700,467 filed August 2, 2019;

I am an inventor of certain new and useful improvements in a **HOURLASS SHAPED BLOOD FRACTIONATION TUBE AND SYSTEM** for which I have made a utility application for Letters Patent of the United States, Application Serial Number 17/086,370 filed October 31, 2020, and claiming the benefit of provisional application 62/929,165 filed November 1, 2019; and

WHEREAS, Placidem, LLC, a corporation duly organized and existing under the laws of the State of North Carolina and having a principal place of business at 1020 Red Banks Road, Suite 150, Greenville, North Carolina, 27858, hereinafter referred to as "Assignee", is desirous of acquiring the entire right, title and interest in and to said invention as described in the specification executed by me, and any and all Letters Patent which shall be granted therefor;

NOW, THEREFORE, To All Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, the said Assignor, have sold, assigned, transferred and set over unto the said Assignee, its successors and assigns, the entire right, title and interest in and to the above-mentioned applications and inventions and in and to any and all Letters Patent of the United States which may hereafter be granted therefor, and in any and to any and all continuations, continuations-in-part, substitutions, divisions or reissues of said Letters Patent, the same to be held and enjoyed by the said Assignee, for its interest, and for its own use and behalf, and the use and behalf of its successors and assigns, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by us had this assignment and sale not been made.

And for the consideration aforesaid, I hereby covenant and agree to and with the said Assignee, its successors and assigns, that at the time of the execution and delivery of these presents I am the lawful owner of the entire right, title and interest in and to the inventions, applications and Letters Patent above-mentioned and that the same are unencumbered, and that I have good right and lawful authority to sell and convey the same in the manner herein set forth.

And for the consideration aforesaid, I hereby covenant and agree to and with the said Assignee, its successors and assigns, that I will, whenever its counsel or the counsel of its successors and assigns, learned in the law, shall

advise that an amendment, division, continuation, continuation-in-part, or substitution of, or any other proceeding in connection with said applications, including interference proceedings, is lawful and desirable, sign all papers and drawings, take all rightful oaths, and do all acts necessary or required to be done for the procurement of valid Letters Patent for said invention, or for the reissue of the same without charge to our said Assignee, its successors or assigns, but at its or their expense.

I hereby request the Commissioner for Patents to issue the Letters Patents in accordance with this instrument.

For the consideration aforesaid, I have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto the said Assignee, its successors, assigns or nominee, the entire right, title and interest in and to any and all Letters Patents for said invention which may be granted in countries foreign to the United States and in and to any applications for Letters Patent which may be filed for said invention in countries foreign to the United States and in and to the invention described in said applications; and I hereby authorize and empower the said Assignee, its successors, assigns or nominees to apply for Letters Patents or other form of protection on said invention in its own name or in the name of its successor, Assignee, or nominee, in any and all countries where it may desire to file such applications and where said applications may be filed by another than the inventor; and I hereby covenant and agree to sign all papers and drawings, take all rightful oaths, and do all acts

necessary or required to be done for procurement of Letters Patents, or other form of protection, for said inventions or inventions in countries foreign to the United States, and for further investing or confirming the right and title therein to the Assignee, its successors, assignee, or nominee, without charge to our said Assignee, its successor, assignee or nominee, but at its or their expense.

IN WITNESS WHEREOF, I have hereunto set my hand and seal on the date indicated below.

WITNESSETH: That;

WHEREAS, I am an inventor of certain new and useful improvements in a **HOURLASS SHAPED BLOOD FRACTIONATION TUBE** for which I have made a design application for Letters Patent of the United States, Application Serial Number 29/700,467 filed August 2, 2019;

I am an inventor of certain new and useful improvements in a **HOURLASS SHAPED BLOOD FRACTIONATION TUBE AND SYSTEM** for which I have made a utility application for Letters Patent of the United States, Application Serial Number 17/086,370 filed October 31, 2020, and claiming the benefit of provisional application 62/929,165 filed November 1, 2019; and

WHEREAS, Placidem, LLC, a corporation duly organized and existing under the laws of the State of North Carolina and having a principal place of business at 1020 Red Banks Road, Suite 150, Greenville, North Carolina, 27858, hereinafter referred to as "Assignee", is desirous of acquiring the entire right, title and interest in and to said invention as described in the specification executed by me, and any and all Letters Patent which shall be granted therefor;

NOW, THEREFORE, To All Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, the said Assignor, have sold, assigned, transferred and set over unto the said Assignee, its successors and assigns, the entire right, title and interest in and to the above-mentioned applications and inventions and in and to any and all Letters Patent of the United States which may hereafter be granted therefor, and in any and to any and all continuations, continuations-in-part, substitutions, divisions or reissues of said Letters Patent, the same to be held and enjoyed by the said Assignee, for its interest, and for its own use and behalf, and the use and behalf of its successors and assigns, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by us had this assignment and sale not been made.

And for the consideration aforesaid, I hereby covenant and agree to and with the said Assignee, its successors and assigns, that at the time of the execution and delivery of these presents I am the lawful owner of the entire right, title and interest in and to the inventions, applications and Letters Patent above-mentioned and that the same are unencumbered, and that I have good right and lawful authority to sell and convey the same in the manner herein set forth.

And for the consideration aforesaid, I hereby covenant and agree to and with the said Assignee, its successors and assigns, that I will, whenever its counsel or the counsel of its successors and assigns, learned in the law, shall

advise that an amendment, division, continuation, continuation-in-part, or substitution of, or any other proceeding in connection with said applications, including interference proceedings, is lawful and desirable, sign all papers and drawings, take all rightful oaths, and do all acts necessary or required to be done for the procurement of valid Letters Patent for said invention, or for the reissue of the same without charge to our said Assignee, its successors or assigns, but at its or their expense.

I hereby request the Commissioner for Patents to issue the Letters Patents in accordance with this instrument.

For the consideration aforesaid, I have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto the said Assignee, its successors, assigns or nominee, the entire right, title and interest in and to any and all Letters Patents for said invention which may be granted in countries foreign to the United States and in and to any applications for Letters Patent which may be filed for said invention in countries foreign to the United States and in and to the invention described in said applications; and I hereby authorize and empower the said Assignee, its successors, assigns or nominees to apply for Letters Patents or other form of protection on said invention in its own name or in the name of its successor, Assignee, or nominee, in any and all countries where it may desire to file such applications and where said applications may be filed by another than the inventor; and I hereby covenant and agree to sign all papers and drawings, take all rightful oaths, and do all acts

necessary or required to be done for procurement of Letters Patents, or other form of protection, for said inventions or inventions in countries foreign to the United States, and for further investing or confirming the right and title therein to the Assignee, its successors, assignee, or nominee, without charge to our said Assignee, its successor, assignee or nominee, but at its or their expense.

IN WITNESS WHEREOF, I have hereunto set my hand and seal on the date indicated below.

ASSIGNMENT

This Assignment is made by me, Jeff Hrush, a citizen of the United States of America, residing at 610 Trails End Road, Wilmington, County of New Hanover, State of North Carolina, 28409, hereinafter referred to as "Assignor".

WITNESSETH: That;

WHEREAS, I am an inventor of certain new and useful improvements in a **HOURLASS SHAPED BLOOD FRACTIONATION TUBE** for which I have made a design application for Letters Patent of the United States, Application Serial Number 29/700,467 filed August 2, 2019;

I am an inventor of certain new and useful improvements in a **HOURLASS SHAPED BLOOD FRACTIONATION TUBE AND SYSTEM** for which I have made a utility application for Letters Patent of the United States, Application Serial Number 17/086,370 filed October 31, 2020, and claiming the benefit of provisional application 62/929,165 filed November 1, 2019; and

WHEREAS, Placidem, LLC, a corporation duly organized and existing under the laws of the State of North Carolina and having a principal place of business at 1020 Red Banks Road, Suite 150, Greenville, North Carolina, 27858, hereinafter referred to as "Assignee", is desirous of acquiring the entire right, title and interest in and to said invention as described in the specification executed by me, and any and all Letters Patent which shall be granted therefor;

NOW, THEREFORE, To All Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, the said Assignor, have sold, assigned, transferred and set over unto the said Assignee, its successors and assigns, the entire right, title and interest in and to the above-mentioned applications and inventions and in and to any and all Letters Patent of the United States which may hereafter be granted therefor, and in any and to any and all continuations, continuations-in-part, substitutions, divisions or reissues of said Letters Patent, the same to be held and enjoyed by the said Assignee, for its interest, and for its own use and behalf, and the use and behalf of its successors and assigns, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by us had this assignment and sale not been made.

And for the consideration aforesaid, I hereby covenant and agree to and with the said Assignee, its successors and assigns, that at the time of the execution and delivery of these presents I am the lawful owner of the entire right, title and interest in and to the inventions, applications and Letters Patent above-mentioned and that the same are unencumbered, and that I have good right and lawful authority to sell and convey the same in the manner herein set forth.

And for the consideration aforesaid, I hereby covenant and agree to and with the said Assignee, its successors and assigns, that I will, whenever its counsel or the counsel of its successors and assigns, learned in the law, shall

advise that an amendment, division, continuation, continuation-in-part, or substitution of, or any other proceeding in connection with said applications, including interference proceedings, is lawful and desirable, sign all papers and drawings, take all rightful oaths, and do all acts necessary or required to be done for the procurement of valid Letters Patent for said invention, or for the reissue of the same without charge to our said Assignee, its successors or assigns, but at its or their expense.

I hereby request the Commissioner for Patents to issue the Letters Patents in accordance with this instrument.

For the consideration aforesaid, I have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto the said Assignee, its successors, assigns or nominee, the entire right, title and interest in and to any and all Letters Patents for said invention which may be granted in countries foreign to the United States and in and to any applications for Letters Patent which may be filed for said invention in countries foreign to the United States and in and to the invention described in said applications; and I hereby authorize and empower the said Assignee, its successors, assigns or nominees to apply for Letters Patents or other form of protection on said invention in its own name or in the name of its successor, Assignee, or nominee, in any and all countries where it may desire to file such applications and where said applications may be filed by another than the inventor; and I hereby covenant and agree to sign all papers and drawings, take all rightful oaths, and do all acts

necessary or required to be done for procurement of Letters Patents, or other form of protection, for said inventions or inventions in countries foreign to the United States, and for further investing or confirming the right and title therein to the Assignee, its successors, assignee, or nominee, without charge to our said Assignee, its successor, assignee or nominee, but at its or their expense.

IN WITNESS WHEREOF, I have hereunto set my hand and seal on the date indicated below.
