ASSIGNMENT BY INVENTOR

THIS ASSIGNMENT, made by Will Hansen (hereinafter referred to as Assignor), residing at 235 E. Idaho St., Rapid City, SD 57701, United States.

WHEREAS, Assignor has invented certain new and useful improvements in **ELECTRICAL POWER STRIP**, set forth in Utility: Non-Provisional Patent Application Serial No. 17/233,962 filed in the United States Patent and Trademark Office on April 17, 2021; and

WHEREAS, Raymond Innovations, LLC, a South Dakota limited liability company having its principal place of business at 11920 Quaal Road, Black Hawk, SD 57718, United States (hereinafter referred to as Assignee), is desirous of acquiring the Assignor's entire right, title and interest in and to said inventions and said Application for Letters Patent of the United States, and in and to any Letters Patent of the United States to be obtained therefore and thereon.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt of which is hereby acknowledged, Assignor has sold, assigned, transferred and set over, and by these presents does sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, the Assignor's entire right, title and interest in and to the above-mentioned inventions and application for Letters Patent, and in and to any and all direct and indirect divisions, continuations and continuations-in-part of said application, and any and all Letters Patent in the United States and all foreign countries which may be granted therefore and thereon, and reissues, reexaminations and extensions of said Letters Patent, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignor, had this sale and assignment not been made.

AND for the same consideration, Assignor hereby represents and warrants to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignor is the sole and lawful owners of the entire right, title and interest in and to the said inventions and application for Letters Patent above-mentioned, and that the same are unencumbered and that Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives and assigns, that Assignor will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said inventions, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said inventions, or said Patent application for Letters Patent, or any proceeding in connection with any Letters Patent or applications for Letters Patent for said inventions in any country, including but not limited to derivation, opposition and post issuance proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignor hereby requests the said Letters Patent of the United States be issued to Assignee, as Assignee of said inventions and the Letters Patent to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

AND Assignor hereby grants the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States of Patent and Trademark Office for recordation of this document:

GOODHUE, COLEMAN & OWENS, P.C.

All practitioners at Customer Number 133690

AND Assignor acknowledges an obligation of assignment of this invention to Assignee at the time the invention was made.

The undersigned hereby authorize the firm of Goodhue, Coleman & Owens, P.C. to correct errors in this Assignment or to insert any further identification or other information necessary or desirable to make this Assignment suitable for recordal in my country,
