ASSIGNMENT

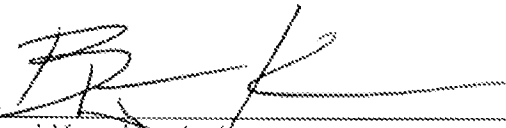

For valuable consideration, the sufficiency and receipt of which is acknowledged, we, **Brian Michael Krezel** of Bozeman, Montana and a citizen of the United States of America; **Sean Jun Nemoto** of Portland, Oregon and a citizen of the United States of America; **Scott Robert Layton** of Portland, Oregon and a citizen of the United States of America and **Nathan Ross Nalevanko** of Portland, Oregon and a citizen of the United States of America (hereinafter, collectively, "Assignors"), hereby assign to **Arcade Belts, Inc. (dba "Arcade Belt Co.")**, a corporation organized and existing under and by the virtue of the laws of the State of Oregon and having a place of business located at Post Office Box 2728, Olympic Valley, California 96146, and its successors and assigns (hereinafter, "the Assignee"), and Assignee hereby accepts, the entire right, title, and interest throughout the world in the new, original and ornamental design disclosed in an application for United States Letters Patent, entitled, "**BELT BUCKLE**," and executed by us on even date, and any and all related applications and patents, this assignment including said applications, any and all United States and foreign patents granted for any of said inventions or improvements, including all divisions, continuations, reissues, continuations-in-part, and extensions thereof, and the right to claim priority based on the filing date of said applications and based on the filing date of any provisional and other application of which said application claims the benefit under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and we authorize the Assignee to apply in all countries in our names or in its own name for patents and like rights of exclusion and for inventor's certificates for said inventions and improvements.

We Assignors agree for ourselves and our heirs, legal representatives and assigns, without further compensation and upon request to perform such lawful acts as may be necessary to assist in filing or prosecuting any such application, promptly to provide the Assignee with all pertinent facts and documents relating to said invention or application as may be known and accessible to us, to testify in any interference, administrative proceeding or litigation related to said invention or application and to sign such further applications, assignments, Preliminary Statements, and other lawful documents as the Assignee may reasonably request to effectuate fully this Assignment.

We Assignors hereby further covenant that no assignment, sale, agreement, or encumbrance has been or will be made or entered into which would conflict with this Assignment.
