## ASSIGNMENT

I, Robert Gallotto, residing at One Newton Executive Park, Suite 100, Newton, Massachusetts 02462, United States of America, solely or jointly with others, made the inventions disclosed and claimed in the following patents and patent applications:

- United States Application No. 14/378,856, filed 14 August 2014 (Atty. Docket No. 11896.0002-00000) entitled: "Methods, Compositions, and Devices for Supplying Dietary Fatty Acid Needs",
- International Application No. PCT/US2013/026063, filed 14 February 2013 (Atty. Docket No. 11896.0002-00304) entitled: "Methods, Compositions, and Devices for Supplying Dietary Fatty Acid Needs",
- United States Application No. 61/600,207, filed 17 February 2012 (Atty. Docket No. 11896.6000-00000) entitled: "Methods, Compositions, and Devices for Supplying Dietary Fatty Acid Needs", and
- United States Application No. 61/719,173, filed 26 October 2012 (Atty. Docket No. 11896.6001-00000) entitled: "Methods, Compositions, and Devices for Supplying Dietary Fatty Acid Needs",

(collectively "Assigned Patents"). At the time I made such inventions, I was employed by Alcresta, Inc., a corporation organized and existing under the laws of the State of Delaware and having an office and a place of business at One Newton Executive Park, Suite 100, Newton, Massachusetts 02462, United States of America, and, in consideration for that employment, I had signed an employment agreement in which I agreed that any invention made by me or to which I contributed during such employment would automatically be assigned to my employer, Alcresta, Inc. The inventions disclosed and claimed in the Assigned Patents were made while I was under that employment agreement. Accordingly, the Assigned Patents and the inventions disclosed and claimed therein were automatically assigned to Alcresta, Inc. when I made the inventions.

I have entered into this Assignment to confirm and reiterate that, for good and valuable consideration, receipt of which is hereby acknowledged, I have assigned and hereby assign to Alcresta, Inc. my entire right, title and interest in and to the Assigned Patents and any and all inventions disclosed and claimed therein. I further assigned and hereby assign to Alcresta, Inc.:

1) any applications claiming priority to or from the Assigned Patents, any provisional applications thereof, and any renewals, revivals, reissues, reexaminations, extensions, continuations and divisions thereof, and any substitute applications therefor;

2) the full and complete right to file patent applications in the name of Alcresta, Inc., its lawful successors and assigns, its designees, or in my name at the election of Alcresta, Inc. or its lawful successors and assigns, or its designee, on the aforesaid inventions, discoveries and applications in all countries of the world;

3) the entire right, title and interest in and to any Letters Patent which may issue thereon in the United States or in any other country of the world, and any renewals, revivals, reissues, reexaminations and extensions of the same; and

4) the entire right, title and interest in all Statutory, Convention and Treaty Rights of all kinds thereon, including without limitation all rights of priority and all rights to claim priority in any country of the world, in and to the above inventions, discoveries and applications.

I hereby authorize and request the competent authorities to grant and to issue any and all such Letters Patent in the United States and throughout the world to Alcresta, Inc. or its lawful successors and assigns as

the assignee of the entire right, title and interest therein, as fully and entirely as the same would have been held and enjoyed by me had this assignment and transfer not been made.

I further agree, at any time, upon the request of Alcrestia, Inc. or its lawful successors and assigns, to execute and to deliver to Alcrestia, Inc. or its lawful successors and assigns any additional applications for patents for said inventions and discoveries, or any part or parts thereof, and any applications for patents of confirmation, registration and importation based on any Letters Patent issuing on said inventions, discoveries or applications, and divisions, continuations, renewals, revivals, reissues, reexaminations and extensions thereof.

I further agree at any time to execute and to deliver upon request to Alcrestia, Inc. or its lawful successors and assigns such additional documents, if any, as are necessary or desirable to secure patent protection on said inventions, discoveries and applications throughout all countries of the world, and otherwise to do the necessary to give full effect to and to perfect the rights of Alcrestia, Inc. or its lawful successors and assigns under this Assignment, including the execution, delivery and procurement of any and all further documents evidencing this assignment and transfer as may be necessary or desirable.

ASSIGNOR:

Robert Gallotto

**ACKNOWLEDGEMENT:**

On this 4<sup>th</sup> day of August, 2015, Robert Gallotto personally appeared before me, executed the foregoing Assignment, and duly acknowledged to me that such Assignment was executed by his/her free act and deed for the uses and purposes therein expressed.

## ASSIGNMENT

I, Bhami Shetty, residing at 141 Pratt Street, South Crafion, Massachusetts 01560, United States of America, solely or jointly with others, made the inventions disclosed and claimed in the following patents and patent applications:

- \* United States Application No. 14/778,856, filed 14 August 2014 (Atty. Docket No. 11896-0002-00000) entitled: "Methods, Compositions, and Devices for Supplying Dietary Fatty Acid Needs",
- \* International Application No. PCT/US2013/026063, filed 14 February 2013 (Atty. Docket No. 11896-0002-00304) entitled: "Methods, Compositions, and Devices for Supplying Dietary Fatty Acid Needs",
- \* United States Application No. 61/600,207, filed 17 February 2012 (Atty. Docket No. 11896-0000-00000) entitled: "Methods, Compositions, and Devices for Supplying Dietary Fatty Acid Needs", and
- \* United States Application No. 61/719,173, filed 26 October 2012 (Atty. Docket No. 11896-0001-00000) entitled: "Methods, Compositions, and Devices for Supplying Dietary Fatty Acid Needs",

(collectively, "Assigned Patents"). At the time I made such inventions, I was employed as a consultant by Alcrest, Inc., a corporation organized and existing under the laws of the State of Delaware and having an office and a place of business at One Newton Executive Park, Suite 100, Newton, Massachusetts 02462, United States of America, and, in consideration for that employment, I had signed a consulting agreement in which I agreed that any invention made by me or to which I contributed during such consultancy would automatically be assigned to Alcrest, Inc. The inventions disclosed and claimed in the Assigned Patents were made while I was under that consulting agreement. Accordingly, the Assigned Patents and the inventions disclosed and claimed therein were automatically assigned to Alcrest, Inc. when I made the inventions.

I have entered into this Assignment to confirm and reiterate that, for good and valuable consideration, receipt of which is hereby acknowledged, I have assigned and hereby assign to Alcrest, Inc. my entire right, title and interest in and to the Assigned Patents and any and all inventions disclosed and claimed therein. I further assigned and hereby assign to Alcrest, Inc.:

- 1) any applications claiming priority to or from the Assigned Patents, any provisional applications thereof, and any renewals, revivals, reissues, reexaminations, extensions, continuations and divisions thereof, and any substitute applications therefor;
- 2) the full and complete right to file patent applications in the name of Alcrest, Inc., its lawful successors and assigns, its designees, or in my name at the election of Alcrest, Inc. or its lawful successors and assigns, or its designee, on the aforesaid inventions, discoveries and applications in all countries of the world;
- 3) the entire right, title and interest in and to any Letters Patent which may issue thereon in the United States or in any other country of the world, and any renewals, revivals, reissues, reexaminations and extensions of the same; and
- 4) the entire right, title and interest in all Statutory, Convention and Treaty Rights of all kinds thereon, including without limitation all rights of priority and all rights to claim priority in any country of the world, in and to the above inventions, discoveries and applications.

I hereby authorize and request the competent authorities to grant and to issue any and all such Letters Patent in the United States and throughout the world to Aleresta, Inc. or its lawful successors and assigns as the assignee of the entire right, title and interest therein, as fully and entirely as the same would have been held and enjoyed by me had this assignment and transfer not been made.

I further agree, at any time, upon the request of Aleresta, Inc. or its lawful successors and assigns, to execute and to deliver to Aleresta, Inc. or its lawful successors and assigns any additional applications for patents for said inventions and discoveries, or any part or parts thereof, and any applications for patents of confirmation, registration and importation based on any Letters Patent issuing on said inventions, discoveries or applications, and divisions, continuations, renewals, revivals, reissues, reexaminations and extensions thereof.

I further agree at any time to execute and to deliver upon request to Aleresta, Inc. or its lawful successors and assigns such additional documents, if any, as are necessary or desirable to secure patent protection on said inventions, discoveries and applications throughout all countries of the world, and otherwise to do the necessary to give full effect to and to perfect the rights of Aleresta, Inc. or its lawful successors and assigns under this Assignment, including the execution, delivery and procurement of any and all further documents evidencing this assignment and transfer as may be necessary or desirable.

ASSIGNOR:
