ASSIGNMENT

WHEREAS, I, **Luke Justin Breon**, ASSIGNOR, citizen of the United States of America, residing at **1443 Car Mar Pl NW, Concord, North Carolina 28027**, am the inventor of the invention **Apparatus and Method for Fabricating Ultrasonic Sensor Probes Directly on a Substrate Surface and Using Same** for which a United States patent application was filed on **October 9, 2018** and is Application No. **16/155,735**;

WHEREAS, **Electric Power Research Institute, Inc.**, ASSIGNEE, having a place of business at **3420 Hillview Avenue, Palo Alto, California 94304**, is desirous of obtaining the entire right, title, and interest in, to, and under said invention and said application:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I, said ASSIGNOR, have sold, assigned, transferred, and set over, and by these presents do hereby sell, assign, transfer, and set over, unto said ASSIGNEE, its successors, legal representatives, and assigns my entire right, title, and interest in, to, and under said invention; said United States application and all divisions, renewals, and continuations thereof, all Patents of the United States that may be granted thereon, and all reissues and extensions thereof; all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs that may hereafter be filed for said invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said United States application under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, any other international agreement, or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates, and designs that may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals, and reissues thereof;

AND I HEREBY authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any country or countries foreign to the United States whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid to issue the same to said ASSIGNEE, its successors, legal representatives, and assigns, in accordance with the terms of this instrument.

AND I HEREBY covenant and agree that I have full right to convey the entire interest herein assigned and that I have not executed, and will not execute, any agreement in conflict herewith.

AND I HEREBY further covenant and agree that I will communicate to said ASSIGNEE, its successors, legal representatives, and assigns, any facts known to me respecting said invention; testify in any legal proceeding; sign all lawful papers; execute all divisional, continuing, reissue, and foreign applications; make all rightful oaths; and generally do everything possible to aid said ASSIGNEE, its successors, legal representatives, and assigns, to obtain and enforce proper protection for said invention in all countries.

IN TESTIMONY WHEREOF, I hereunto set my hand and seal this 23 day of April, 2021.

Luke Justin Breon L.S.
