Commissioner for Patents

Sir:

I, Jack G. Abid, do hereby declare as follows:

1. I am a Registered Patent Attorney, and represent the University of Central Florida Research Foundation (UCFRF).

2. The above noted application, now patent, is a continuation of application serial number 15/648,235 (U.S. Patent No. 10,483,719), which claims priority to application serial number 62/361,531.

First Named Inventor:

DEPPE

Serial No. 16/551,258

3. Dennis Deppe is the sole inventor for each of these priority applications.

4. As noted in the Declaration by Sandra M. Sovinski recorded at reel/frame 054640/0802, these priority applications properly belong to "The University of Central Florida Board of Trustees" (UCFBOT).

5. UCFBOT was not aware of the filing of the above noted application, now patent.

6. UCFBOT has transferred its ownership to the UCFRF, as the designated owning entity for UCF intellectual property, and as per the assignments recorded at reel/frame 050113/0016 for the parent applications and reel/frame 054072/0230 for the present application.

7. Since the priority applications belong to the UCFBOT, the above noted application also belongs to UCFBOT.

8. I hereby declare that all statements made herein are of my own knowledge and are true, and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title XVIII of the United States Code, and that such willful and false statements may jeopardize the validity of the application or any patent issued thereon.

First Named Inventor:
