CONFIRMATORY ASSIGNMENT AND DECLARATION

THIS ASSIGNMENT, by Jon I. Einarsson, whose Post Office address is 1335 Boylston Street, Unit 1301, Boston, MA 02215, US (hereinafter referred to as Assignor);

WHEREAS, Assignor has invented certain new and useful improvements in patent applications filed in the United States Patent and Trademark Office listed in U.S. Patent Application Serial No. 17/233,675, filed April 19, 2021;

WHEREAS, Assignor previously signed "The Brigham and Women's Hospital, Inc. Intellectual Property Acknowledgement" on June 21, 2016; and

WHEREAS, Brigham And Women's Hospital, Inc., whose Post Office address is 75 Francis Street, Boston, Massachusetts 02115 US (hereinafter referred to as Assignee), is desirous of acquiring the right, title and interest in and to said inventions and said Application for Letters Patent, and in and to any Letters Patent of the United States to be obtained therefore and thereon, to the extent that Assignee is not already in legal possession of these rights by way of said "Intellectual Property Acknowledgement".

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt of which is hereby acknowledged, Assignor, to the extent not transferred by said "Intellectual Property Acknowledgement" has sold, assigned, transferred and set over, and by these presents does sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, the right, title and interest in and to the above-mentioned inventions and applications for Letters Patent, and in and to any and all direct and indirect divisions, continuations and continuations-in-part of said application, and any and all Letters Patent in the United States and all foreign countries which may be granted therefore and thereon, and reissues, reexaminations and extensions of said Letters Patent, the right to claim priority to any such applications, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended, as the same would have been held and enjoyed by Assignor, had this sale and assignment not been made.

AND Assignor hereby requests the Commissioner of Patent and Trademarks to issue said Letters Patent of the United States to Assignee.

AND Assignor hereby states as follows: (i) The above-identified application was made or authorized to be made by me; (ii) I believe that I am the original inventor or an original joint inventor of a claimed invention in each of the above-referenced applications; and (iii) I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

AND Assignor hereby grants the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:

All practitioners at Customer Number 132726

AND Assignor acknowledges an obligation of assignment of said invention(s) to Assignee at the time the invention was made.

Date: April 19, 2021
