describing the same and based thereon, for good and valuable consideration, receipt of which is hereby acknowledged from the following 2 entities:

TUNGHSU TECHNOLOGY GROUP CO., LTD., 1112, Floor 11, 101, Floor 1 to Floor 17, Building 4, Yard 2, Sihezhuang Road, Fengtai District, Beijing, 100070, China

and

TUNGHSU GROUP CO., LTD., No. 369 Zhujiang Road, New & Hi-Tech Industrial Development Zone Shijiazhuang, Hebei, 050035, China

both entities hereinafter called Assignees (which term shall include its successors and assigns) do hereby sell, assign and transfer unto Assignees our entire right, title, and interest as inventors, in and throughout the United States of America (including its territories and dependencies), in and to and under said application (which term shall include hereinafter where the context so admits all divisional, continuing, reissue and other patent applications based thereon) and the inventions (which term shall include each and every such invention, or any part thereof) therein described, and any and all patents and like rights of exclusion (including extensions thereof) which may be granted on or for said inventions or on said application;

And for the same consideration we do hereby agree for ourselves and for our respective heirs, executors and administrators, promptly upon request of the Assignees, to execute and deliver without further compensation any power of attorney, assignment, original, divisional, continuing, reissue or other application or applications for patent or patents or like rights of exclusion in, or other lawful documents and any further assurances that may be deemed necessary or desirable by Assignees to fully to secure to it our said right, title, and interest as aforesaid in and to said inventions, application, and said several patents and like rights of exclusion, or any of them;

And we do hereby authorize and request the Commissioner of Patents of the United States of America to issue to the Assignees any and all patents and like rights of exclusion which may be granted upon said application or on or for said inventions;

And we do hereby covenant for ourselves and for our respective legal representatives and agree with Assignees that we have granted no right or license to make, use or sell said inventions in the United States of America to anyone except the Assignees, that prior to the execution of this deed our right, title and interest in and to said inventions as the inventor has not been otherwise encumbered, and that we have not executed and will not execute any instrument in conflict herewith.
