ASSIGNMENT**April 29, 2021**

WHEREAS I, Mark T. Jones, having a place of residence at 3771 Hawthorne Drive, Troy, Michigan 48084, am the sole named inventor (hereinafter referred to as Assignor), of the inventions as disclosed and claimed in the patent(s) identified in the table below this paragraph:

| U.S. Patent No. | U.S. Application No. | Title of Patent | Issue Date | Filing Date |
|----------------------------|---------------------------------|--|-------------------|--------------------|
| D837,468 | 29/590,219 | Flow Restrictor Plate for the Inlet of a Car Wash Dryer Blower | January 1, 2019 | January 9, 2017 |

WHEREAS, PECO CORPORATION OF TROY, a Michigan corporation having a principal business address of 244 Rex Boulevard, Auburn Hills, Michigan 48326 (hereinafter referred to as Assignee), is desirous of securing the entire right, title, and interest in and to the inventions in all countries throughout the world, and in and to all applications for patents on these inventions in all countries throughout the world, including any PCT International Applications and all national stage applications based thereon that may be filed, and all patents issued upon such applications in all countries throughout the world;

NOW THEREFORE, be it known that, for good and valuable consideration the receipt of which Assignee is hereby acknowledged, I, as Assignor, have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer and set over unto the Assignee, its lawful successors and assigns, my entire right, title, and interest in and to these inventions, the above-referenced patent(s) that disclose and claim the inventions, any PCT International Application and all national stage applications based thereon that may be filed, any other applications for patents filed anywhere in the world that claim any of the inventions, and all divisions and continuations of any such applications, and all patents which may be granted thereon, and all reissues thereof, and all rights to claim priority in any country on the basis of any such applications, and all extension, renewals, and reissues thereof; and I hereby authorize and request that any official of any country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for the inventions to Assignee, its successors and assigns, in accordance with the terms of this Assignment.

AND, I covenant that I have the full right to convey the interest assigned by this Assignment, and I have not executed and will not execute any agreement in conflict with this Assignment;

AND, I further covenant and agree that I will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to me respecting these inventions, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to these inventions in said Assignee, its successors or assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for these inventions in the

United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns.
