Assignment

I, Stephen H. Liu, residing in the United States, represent that I have invented a new design for a "ATHLETIC HIP SHORTS FOR WOMEN" for which I have executed an application for Letters Patent of the United States of America on November 22, 2019, under Serial No. 29/714,475.

IFGCure Holdings, LLC is a corporation organized and existing under the laws of California, has a place of business at 11301 W. Olympic Blvd, #522, Los Angeles, California 90064 and desires to acquire the entire right, title and interest in and to the design, application and letters patent to be granted and issued thereon.

For valuable consideration, the receipt and legal sufficiency of which I acknowledge, I have sold and do hereby sell, assign, transfer and set over unto IFGCure Holdings, LLC, its successors and assigns, the entire right, title and interest in and to the design and all improvements thereon, in and to the application for letters patent thereon, in and to applications pertaining to or based upon the design and application, including divisional and continuing applications and continuations-in-part, and in and to any and all letters patent which may be granted and issued on the design and applications, or any of them, in the United States of America, its territories and possessions, and in all countries foreign thereto, together with and including all priority rights based upon any and all applications in the United States of America covered by this Assignment.

I also agree that I will, at the request of IFGCure Holdings, LLC, execute any and all applications for letters patent for the design, execute any and all other papers and documents and do all other and further lawful acts that IFGCure Holdings, LLC may deem necessary or desirable to obtain letters patent on the design, to secure the grant of such letters patent and to protect and vest in IFGCure Holdings, LLC the undivided interests in the right, title and interest in the design, applications and letters patent.

I also authorize and empower IFGCure Holdings, LLC, its successors and assigns to apply for and obtain, in its or their own names, letters patent for the design before competent International Authorities and in any and all countries foreign to the United States in which applications for letters patent or designs can be so made or letters patent or design registrations so obtained.

November 22, 2019.
