Marine B. Cuisinier
228 Morenz Drive
Mitchell, Ontario N0K 1N0
Canada

John Philip S. Lee
181 Lester Street
Waterloo, Ontario N2L 3W3
Canada

(hereinafter "the Assignors"), are the inventors of one or more inventions disclosed in United States Patent Application No. 62/756,241, filed November 6, 2018, entitled ELECTROPLATED ZINC NEGATIVE ELECTRODES FOR ZINC METAL CELLS AND BATTERIES (hereinafter "the Application").

AND WHEREAS,

Salient Energy Inc.
151 Charles Street, Suite 199
Kitchener, Ontario N2G 1H6
Canada

(hereinafter "the Assignee"), has acquired from the Assignors their entire right, title and interest in and to the invention(s), in all countries of the world, including their rights to the Application, and all related applications thereon, including any and all, international, national and regional phase applications based on the Application, and other counterpart applications in all countries, and any and all non-provisionals, substitutes, divisionals, continuations and continuations-in-part, and any Letters Patent that may be obtained therefor, and in any and all reissues, extensions, renewals and reexaminations of such applications and patents.

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of all of which is hereby acknowledged, the Assignors hereby confirm that they have assigned, and do hereby sell and assign, transfer and set

over to the Assignee all their rights, title and interest for Canada, the United States of America, its territories, dependencies and possessions, and for all other countries in the world, in and to the invention(s), including their rights to the Application, and all related applications and patents thereon, to be held and enjoyed by the Assignee, its assigns and successors, as fully and entirely as the same would have been held and enjoyed by the Assignors, had this Assignment not been made.

The Assignors hereby confirm that the Application was made or was authorized to be made by them, and that they believe themselves to be the original inventors or joint inventors of a claimed invention in the Application. The Assignors hereby acknowledge that any willful false statement made under this paragraph is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

The Assignors shall without further consideration do all such things and execute all such documents as may be necessary or desirable to obtain and maintain the Application for the invention(s), and all related applications and patents thereon, in any and all countries, and to vest title thereto in the Assignee, its successors, assigns and legal representatives or nominees.

The Assignors authorize and empower the Assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any of the Application, and all related applications and patents thereon, filed by them or the Assignee, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from them.

The Assignors authorize and empower Own Innovation, whose complete address is 102-410 Albert Street, Waterloo, Ontario, N2L 3V3, Canada, to insert on this Assignment any further identification, including inserting the serial number of the patent application when available, to prepare any translation which may be necessary or desirable in order to comply with the rules for recordation of this document in any country and to correct any clerical error in this assignment.

The Commissioner of Patents & Trademarks is hereby authorized and requested to issue any Letters Patent for the Application, and all related applications thereon, to the Assignee, for

its sole use and benefit; and for the use and benefit of its successors and assigns, to the full end of the term for which Letters Patent may be granted, as fully and entirely as the same would have been held by the Assignors had this Assignment and sale not been made.

If a provision of this Assignment is or becomes illegal, invalid or unenforceable in any jurisdiction, that shall not affect the validity or enforceability in that jurisdiction of any other provision of this Assignment, or the validity or enforceability in other jurisdictions of that or any other provision of this Assignment.
