DECLARATION AND ASSIGNMENT, FOR UTILITY OR DESIGN PATENT APPLICATION (37 CFR § 1.63)	Case No.:	AMCOR-073-US
---	-----------	--------------

As a below named inventor, I believe I am an original inventor or an original joint inventor of a claimed invention in the application for which a patent is sought on the invention entitled:

CONTAINER FOR EMANATING VOLATILE SUBSTANCES

The specification of which:

an application for United States Patent or a U.S. Provisional Application is being filed contemporaneously herewith;

was filed on May 9, 2019 as United States Application No. 16/348722

is identified as PCT International Application No. _____ filed on _____

The above-identified application was made or authorized to be made by me.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than 5 years or both.

In addition, for good and valuable consideration, receipt of which is acknowledged, I have agreed to assign and transfer and do hereby assign and transfer to Amcor Flexibles Italia S.R.L., a wholly-owned subsidiary of Amcor plc, having a principle place of business at 2 Via Dalmastro, 36030 Lugo Di Vicenza, Italy, its successors and assigns, the entire right, title, and interest in and to said invention and application, and in and to any division or continuation (in whole or in part) of said application, and in and to any and all improvements in said invention made by me or made jointly with others (provided any such improvement is made during, or within one year after the termination of, my employment with Amcor plc and any of its existing or future subsidiaries), and in and to any and all Letters Patent, reexaminations, reissues, or extensions thereof, of the United States of America and countries foreign thereto (including the right to apply for Letters Patent, Utility Models, or Inventors' Certificates in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), which have been or may be granted thereon or on any divisional, continuation (in whole or in part), renewal, reexamination, reissue, or other or further application based in whole or in part upon said invention or improvements thereon, to be held and enjoyed as fully and exclusively as they would have been by me had this assignment and transfer not been made.

I do further agree for myself and for my heirs, executors, and administrators, to execute and deliver without further consideration any further applications, assignments, and documents, and to perform such other acts as I lawfully may, that may be deemed necessary by Amcor Flexibles Italia S.R.L., its successors, assigns, and nominees, fully to secure its right, title, and interest as aforesaid and to obtain or maintain Letters Patent, Utility Models, or Inventors' Certificates in any and all countries; and

I do hereby authorize and request the Commissioner of Patents to issue any and all Letters Patent which may be granted upon any of said applications, to Amcor Flexibles Italia S.R.L., as the assignee of the entire right, title and interest therein.
