Assignment

Whereas I, Jason Badeaux, with an address of 33201 Zaunbrecher Road, Gueydan, LA 70542, United States, hereinafter referred to as Applicant, have invented a new, original, and ornamental design for a Crawfish Trap; and on October 21, 2019 filed a design patent application for Letters Patent of the United States of America, assigned SN 29/710138, thereon;

Whereas, Crawline LLC, a Louisiana Limited Liability Company, with an address of 33201 Zaunbrecher Road, Gueydan, LA 70542, United States, herein referred to as Assignee, desires to acquire all of Applicant's rights, title and interest in said invention and said United States patent application SN 29/710138, in any other United States or foreign patent application(s) thereon and patents issuing therefrom, and other rights as described herein;

Therefore, in consideration of the sum of one dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is acknowledged, I, Applicant, by these presents do sell, assign and transfer unto Assignee all of my rights to said invention(s) in the United States and worldwide, and all of my rights, title and interest in and to said application SN 29/710138, and any and all other United States and foreign patent applications on said invention, including but not limited to utility, continuation, continuation-in-part, divisional, or reissue applications, and including all rights of priority associated therewith, and to any and all patents which may be granted on any of said applications in the United States and in any foreign country. I hereby authorize and request the Commissioner of Patents and Trademarks of the United States, and any foreign patent office, to issue any of said United States or foreign Patents to Assignee, of Applicant's entire right, title and interest in and to the same, for Assignee's sole use and benefit; and for the use and benefit of its legal representatives, to the full end of the term for which any of said patents may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made. I agree to take such further action and to execute such further documents, including but not limited to assignments, declarations, and/or powers of attorney, as are reasonably necessary to fully vest Assignee with the rights described herein and intended to be conveyed hereby.

Executed this 11 day of January, 2021, at 7:17 a.m.  
Louisiana.

  
Jason Badeaux
