Assignment of Patent

WHEREAS, Jim Drulliner, having a current mailing address of 9316 Davenport St., Omaha, NE 68114 (hereinafter referred to as "Assignor"), is an inventor of certain new and useful improvements in the Decoy (Patent No. 7,028,429, issued April 18, 2006) (the "Patent"), and

WHEREAS, Sillosock C Corporation, a Nebraska corporation having a principal office address of 9316 Davenport St., Omaha, NE 68114 (hereinafter referred to as "Assignee"), is desirous of acquiring the entire right, title, and interest in and to said invention and in and to the Patent;

NOW, THEREFORE, for good and sufficient consideration, the receipt of which is hereby acknowledged, Assignor hereby sells, assigns, transfers and sets over unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the Patent, including all rights to damages for any and all past infringement of the Patent, and in and to any and all direct and indirect divisions, continuations, continuations-in-part of said Patent, and any and all Letters Patent in the United States and all foreign countries which may be granted therefore and thereon, and reissues, reexaminations and extensions of said Patent, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term for which each Letters Patent and applications for Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignor, had this sale and assignment not been made.

For the same consideration, Assignor hereby represents and warrants to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, Assignor is the lawful owner of a right, title and interest in and to said Patent, and that the same are unencumbered. Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

For the same consideration, Assignor hereby agrees to now and in the future sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of the Patent, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said Patent in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any of said Patent or any reissue, reexamination or extension of any of said Patent, to be obtained thereon, is lawful and desirable.

Assignor hereby grants the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable, including the application number and filing date, which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:
