ASSIGNMENT

WHEREAS I, Stuart H. Ehrenberg of Shenandoah Junction, WV have made a certain new and useful invention as set forth in United States Patent No. 8,442,454, entitled Tactical Communication System,

AND WHEREAS, SemperComm Systems, LLC, having an address of 1586 Winchester Avenue, Martinsburg, WV 25405, is desirous of acquiring the entire right, title and interest in and to said invention including United States Patent No. 8,442,454, any previously or subsequently filed provisional or non-provisional applications, any subsequently filed applications and to any and all patents of the United States and foreign countries which may be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, I do hereby sell, assign, transfer and set over unto SemperComm Systems, LLC, its legal representatives, successors, and assigns, the entire right, title and interest in U.S. Patent No. 8,442,454, any previously or subsequently filed provisional applications, non-provisional applications, any continuations, continuations-in-part, divisions, reissues, re-examinations or extensions thereof, and in and to any and all patents of the United States and foreign countries which may be issued for said invention; and

UPON SAID CONSIDERATIONS, I hereby agree with the said assignee that I will not execute any writing or do any act whatsoever conflicting with these presents, and that I will, at any time upon request, without further or additional consideration but at the expense of said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuations, continuations-in-part, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of the assigns and legal representatives of assignor and assignee.
