ABSTRACT ENGINEERING LLC

PROPRIETARY INFORMATION AND INVENTIONS AGREEMENT

As a condition of my employment with Abstract Engineering LLC, a Texas limited liability company, its subsidiaries, affiliates, successors or assigns (collectively, the “**Company**”) and in consideration of the Company’s disclosure of or agreement to disclose certain Proprietary Information (as defined below) to me, any compensation now and/or hereafter paid to me, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I hereby agree to the terms and conditions of this Proprietary Information and Inventions Agreement (this “**Agreement**”) as follows:

1. **Definitions.**

1.1 “**Company Inventions**” means all Inventions that (i) relate to the business or proposed business of the Company and that are discovered, developed, created, conceived, reduced to practice, made, learned or written by me, either alone or jointly with others, during my Service; (ii) utilize, incorporate or otherwise relate to Proprietary Information; or (iii) are discovered, developed, created, conceived, reduced to practice, made, or written by me using Company time, property or equipment.

1.2 “**Intellectual Property Rights**” means all intellectual property and industrial property rights of any kind whatsoever throughout the world, including but not limited to patent rights, copyrights (including but not limited to mask work rights), trademark rights, trade secret rights, and, if recognized, Moral Rights (where “**Moral Rights**” means all rights related to paternity, integrity, disclosure, and withdrawal), whether or not patentable or registrable under copyright or similar statutes.

1.3 “**Inventions**” means discoveries, developments, improvements, trade secrets, processes, formulas, data, lists, software programs, and all other works of authorship, mask works, ideas, concepts, know-how, designs, methodologies and techniques, whether or not any of the foregoing is or are patentable or registrable under copyright or any other intellectual property laws or industrial property laws in the United States or elsewhere.

1.4 “**Ownership Rights**” means all rights, title and interest (including but not limited to Intellectual Property Rights) in property, whether that property is tangible or intangible.

1.5 “**Proprietary Information**” means all information of any kind (tangible and intangible, written and oral, and including information contained or transmitted through any electronic medium) owned by the Company or licensed from third parties or that otherwise relates to the Company’s actual or proposed business, which is not publicly available, including, without limitation, (i) research, development, technical data, trade secrets or know-how, drawings, engineering, hardware configuration information, products and product plans, services, marketing, selling and business plans, budgets, unpublished financial statements, licenses, prices, costs, contracts and other agreements, suppliers, customers (including, but not limited to, the Company’s customers on whom I called or with whom I became acquainted during the term of my employment) and customer lists, and other business information; (ii) the identity, personal

data, and skills of employees, contractors, and consultants; (iii) specialized training; (iv) information related to Inventions owned by the Company or licensed from third parties; and (v) other non-public information relating to the Company that is not readily ascertainable.

1.6 “**Service**” means the period during which I am engaged as an employee of the Company.

1.7 “**Third Party Information**” means confidential or trade secret information that the Company may from time to time receive from third parties or information related to Inventions of third parties, which is subject to a duty on the Company’s part to maintain the confidentiality of such Third Party Information and to use it only for certain limited purposes.

2. **Nondisclosure.**

2.1 **Company Proprietary Information.** I acknowledge that contemporaneously with my execution of this Agreement, the Company is providing me with Proprietary Information and/or initial specialized training. In consideration of the Company’s provision of Proprietary Information and initial specialized training, I agree that during my Service and thereafter, pursuant to this agreement (the “**Nondisclosure Agreement**”), I will hold in strictest confidence and not use, except for the benefit of the Company, any of the Proprietary Information, and will not disclose, make available, discuss, transmit, use, lecture upon, or publish any Proprietary Information, except as such disclosure, availability, discussion, transmission, use, or publication may be expressly authorized by the Company’s Board of Directors or Chief Executive Officer, in any such case pursuant to a written non-disclosure agreement that sufficiently protects the Proprietary Information. I further acknowledge and agree that all rights, title, and interest in any Proprietary Information will remain the exclusive property of the Company. I also acknowledge and agree that in connection with this Nondisclosure Agreement, I will also be bound by the provisions of Section 5. I further acknowledge and agree that the Company’s conduct in agreeing to and providing me with Proprietary Information in exchange for my Nondisclosure Agreement gives rise to the Company’s interest in restraining me from competing, directly or indirectly, against the Company as set forth in Section 5 (the “**Non-Compete and Non-Solicitation Agreement**”), and that my agreement to the Non-Compete and Non-Solicitation Agreement is designed to enforce my Nondisclosure Agreement.

2.2 **Third Party Information.** At all times during my Service and thereafter, I will hold Third Party Information in the strictest confidence and not use it except as necessary in carrying out my work for the Company consistent with the Company’s agreement with such third party, and will not disclose, make available, discuss, transmit, use, lecture upon, or publish any Third Party Information, except as such disclosure, availability, discussion, transmission, use, or publication may be required in connection with my Service, or unless the Chief Executive Officer or the Board of Directors of the Company expressly authorizes such in writing.

2.3 **Former Employer Information.** I agree that during my Service I shall not use or incorporate into any Company Invention any proprietary or confidential information or trade secrets of any former employer, any person or entity for whom I provided services, or any other person or entity, unless I have obtained all consents, licenses, or other rights necessary to allow me to provide the Company with the assignments and licenses set forth herein and the

Company has expressly consented thereto in writing. I represent and warrant that during my Service I shall not improperly use or disclose any proprietary or confidential information or trade secret, if any, of any former employer or any other person or entity to whom I have an obligation of confidentiality, and I will not bring onto the premises of the Company any unpublished documents or any property belonging to any former employer or any other person or entity unless expressly consented to in writing by that former employer, person, or entity. I further represent that I am not a party to any currently effective employment contract, covenant not to compete or other agreement that could potentially have any bearing on my ability to accept employment with the Company, and that the Company has instructed me that I am not to perform any action, directly or indirectly, in the course of any duties or responsibilities that I may have at any time for it, that would violate the terms of any currently effective contract to which I am a party.

2.4 **Notice of Unauthorized Disclosure.** If I lose or make unauthorized disclosure of any Proprietary Information, I will immediately notify the Company and take all reasonable steps necessary to retrieve the lost or improperly disclosed Proprietary Information.

3. **Assignment.**

3.1 **Assignment of Ownership Rights.** I hereby irrevocably assign to and vest all title, interest, and right in the Company any Ownership Rights I may have or acquire in any Proprietary Information and acknowledge that all Proprietary Information shall be the sole property of the Company and that the Company shall be the sole owner of all Ownership Rights in connection therewith. I hereby irrevocably assign to and vest all title, interest, and right in the Company all my Ownership Rights in and to any and all Company Inventions and acknowledge that all Company Inventions shall be the sole property of the Company and that the Company shall be the sole owner of all Ownership Rights in connection therewith. I understand and agree that the decision whether or not to commercialize or market any Company Invention is within the Company's sole discretion and for the Company's sole benefit and that no royalty will be due to me as a result of the Company's efforts to commercialize or market any such Company Invention.

3.2 **Retained Inventions.** To preclude any possible uncertainty over the ownership of any Inventions, I have, to the best of my knowledge, set forth on **Exhibit A** attached hereto a complete list of all Inventions that I have, alone or jointly with others, prior to commencement of my Service, discovered, developed, created, conceived, reduced to practice, made, learned, or written, or caused to be discovered, developed, created, conceived, reduced to practice, made, learned, or written, that I consider to be my property or the property of third parties (collectively, "**Retained Inventions**"). I will advise the Company promptly in writing of any Invention that I believe constitutes a Retained Invention and is not otherwise disclosed on **Exhibit A**. If disclosure of any such Invention on **Exhibit A** would cause me to violate any prior confidentiality agreement, I understand that I am not to list such Inventions in **Exhibit A** but am to inform the Company that all Inventions have not been listed for that reason. I agree that I will not incorporate, or permit to be incorporated, any Retained Inventions without the Company's prior written consent. Notwithstanding the foregoing sentence, if, in the course of my Service, I incorporate any Retained Inventions into a Company Invention, product or service or rely upon any Retained Invention in discovering, developing, creating, conceiving, or reducing to practice any Company Invention, I hereby unconditionally grant to the Company a non-exclusive,

perpetual, irrevocable, worldwide, royalty-free, fully paid, assignable, right and license, with the right to sublicense through multiple levels of sublicensees, (i) to reproduce, create derivative works of, distribute, publicly perform, publicly display, digitally perform, transmit and display, and otherwise use such Retained Invention in any medium or format, whether now known or hereafter discovered, as part of or in connection with such Company Invention, product or service, (ii) to use, make, have made, sell, offer to sell, import, and otherwise exploit such Retained Invention as part of or in connection with such Company Invention, product or service, and (iii) to exercise any and all other present or future rights in such Retained Invention as part of or in connection with such Company Invention, product or service.

3.3 Exception to Assignments. I understand that the provisions of this Agreement requiring assignment of Company Inventions to the Company do not apply to any Invention that I have developed entirely on my own time without using the Company's equipment, supplies, facilities, trade secret information or Proprietary Information (an "**Other Invention**") except for those Other Inventions that either (i) relate at the time of conception or reduction to practice of such Other Invention to the business or proposed business of the Company, or actual or demonstrably anticipated research or development of the Company or (ii) result from any work that I performed for the Company. I will advise the Company promptly in writing of any Invention that I believe constitutes an Other Invention and is not otherwise disclosed on **Exhibit A**. I agree that I will not incorporate, or permit to be incorporated, any Other Invention owned by me or in which I have an interest into a Company Invention, product or service without the Company's prior written consent. Notwithstanding the foregoing sentence, if, in the course of my Service, I incorporate an Other Invention owned by me or in which I have an interest into a Company Invention, product or service or rely upon any such Other Invention in discovering, developing, creating, conceiving, or reducing to practice any Company Invention, I hereby unconditionally grant to the Company a non-exclusive, perpetual, irrevocable, worldwide, royalty-free, fully paid, assignable, right and license, with the right to sublicense through multiple levels of sublicensees, (i) to reproduce, create derivative works of, distribute, publicly perform, publicly display, digitally perform, transmit and display, and otherwise use such Other Invention in any medium or format, whether now known or hereafter discovered, as part of or in connection with such Company Invention, product or service, (ii) to use, make, have made, sell, offer to sell, import, and otherwise exploit such Other Invention as part of or in connection with such Company Invention, product or service, and (iii) to exercise any and all other present or future rights in such Retained Invention as part of or in connection with such Company Invention, product or service.

3.4 Maintenance of Records. I agree to keep and maintain adequate and current written records of all Company Inventions made by me (solely or jointly with others) during my Service. The records will be in the form of notes, sketches, drawings, and any other format that may be specified by the Company. The records will remain the sole property of the Company.

3.5 Works of Authorship. I acknowledge and agree that any work of authorship that is made by me (either alone or jointly with others) during my Service comprising Company Inventions shall be deemed to be a "**work made for hire**," as that term is defined in the United States Copyright Act (17 U.S.C. § 101), and shall be the sole and complete property of the Company. To the extent that any such work of authorship may not be deemed to be a work

made for hire, I hereby irrevocably assign and vest all title, interest, and right of all my Ownership Rights in and to such work to the Company. If any such work of authorship cannot be assigned, I hereby grant to the Company an exclusive, assignable, irrevocable, perpetual, worldwide, sublicenseable (through one or multiple tiers), royalty-free, unlimited license to use, make, modify, sell, offer for sale, reproduce, distribute, create derivative works of, publicly perform, publicly display and digitally perform and display such work in any media now known or hereafter known. Outside the scope of my Service, whether during or after my employment with the Company, I agree not to (i) modify, adapt, alter, translate, or create derivative works from any such work of authorship or (ii) merge any such work of authorship with other Inventions. To the extent Moral Rights may not be assignable under applicable law and to the extent the following is allowed by the laws in the various countries where Moral Rights exist, I hereby irrevocably waive such Moral Rights and consent to any action of the Company that would violate such Moral Rights in the absence of such consent.

3.6 No License to Company Inventions. I acknowledge and agree that nothing in this Agreement shall be deemed to grant, by implication, estoppel or otherwise, (i) a license from the Company to me to make, use, license, or transfer in any way a Company Invention or (ii) a license from the Company to me regarding any of the Company's existing or future Ownership Rights.

3.7 Inventions Assigned to the United States. I agree to assign to the United States government all my right, title, and interest in and to any and all Inventions whenever such full title is required to be in the United States by a contract between the Company and the United States or any of its agencies.

4. Enforcement of Rights.

4.1 Further Assurances. I will assist the Company in every proper way to obtain and from time to time enforce Ownership Rights relating to Company Inventions in any and all countries. To that end I will execute, verify, and deliver such documents and perform such other acts (including appearances as a witness) as the Company may reasonably request for use in applying for, obtaining, perfecting, evidencing, sustaining, and enforcing such Ownership Rights and the assignment thereof. In addition, I will execute, verify, and deliver assignments of such Ownership Rights to the Company. My obligation to assist the Company with respect to Ownership Rights relating to such Company Inventions in any and all countries shall continue beyond the termination of my Service, but the Company shall compensate me at a reasonable rate after such termination for the time actually spent by me at the Company's request on such assistance.

4.2 Attorney-in-Fact. In the event the Company is unable for any reason, after reasonable effort, to secure my signature on any document needed in connection with the actions specified in the preceding paragraph, I hereby irrevocably designate and appoint the Company's and its assigns' duly authorized officers and agents as my agent and attorney-in-fact, to act for and in my behalf to execute, verify, and file any such documents and to do all other lawfully permitted acts to further the purposes of the preceding paragraph thereon with the same legal force and effect as if executed, verified, and filed by me. I hereby waive and quitclaim to the Company any and all claims, of any nature whatsoever, that I now or may hereafter have for infringement of any Ownership Rights assigned hereunder to the Company.

4.3 **Obligation to Keep Company Informed.** During my Service, I will promptly disclose to the Company fully and in writing and will hold in trust for the sole right and benefit of the Company any and all Company Inventions. In addition, during the first year after termination of my Service, I will provide the Company with a complete copy of each patent application and copyright registration application (including but not limited to any mask work registration application) filed by me or that names me as an inventor, co-inventor, author, co author, creator, co-creator, developer, or co-developer. I will provide the Company with a copy of such applications within ten (10) days from the filing date of such applications.

5. **Non-Competition; Non-Solicitation.**

5.1 **Provision of Confidential Information.** I understand and acknowledge that the Company's willingness to provide me with access to the Proprietary Information, Third Party Information, customer goodwill, and initial specialized training, to which I have not previously had access, is based in material part on my agreement to the provisions of this Section 5, and that any breach by me of the provisions of this Section 5 will materially damage the Company. I also acknowledge that work and experience with the Company will enhance my value to competitive firms, and that the nature of the Proprietary Information and Third Party Information to which I will be given access would make it difficult, if not impossible, for me to work for a competing company in a position where my duties are similar to those I perform for the Company without disclosing or utilizing the Proprietary Information and Third Party Information. I hereby waive and release any claim that I should be able to use, for the benefit of any competing person or entity, Proprietary Information, Third Party Information, customer goodwill, or initial specialized training that was received or developed by me while working for the Company.

5.2 **Interference with Customer Relationships.** I acknowledge and agree that information about the Company's customers and the Company's marketing strategy with respect to those customers constitutes Proprietary Information and may be a trade secret of the Company. I agree that during the course of my Service, and for a period of twelve (12) months immediately following the termination of my Service for any reason, whether with or without cause, at the option either of the Company or myself, with or without notice, or twelve (12) months from the date of any court order enforcing all or part of this Agreement, whichever is later, I will not, directly or indirectly, individually or on behalf of any other person, firm, partnership, corporation, or business entity of any type, solicit to the detriment of the Company and/or for the benefit of any competitor of the Company, take away or attempt to take away, in whole or in part, any Customer of the Company or otherwise interfere with the Company's relationship with any such Customer; and I will not use trade secrets or other unfair business practices to divert or attempt to divert from the Company any Customer of the Company. For purposes of this Section 5.2, "**Customer**" shall mean any person, company or business entity (i) to which the Company sells or licenses goods or services and (ii) that I had contact with or performed services for during my Service with the Company or about whom I had access to Proprietary Information by virtue of my employment with the Company. This paragraph is geographically limited to wherever any Customer can be found or is available for solicitation, and I agree that I may not avoid the purpose and intent of this paragraph by engaging in conduct within the geographically limited area from a remote location through means such as

telecommunications, written correspondence, computer generated or assisted communications, or other similar methods.

5.3 **Non-Solicitation.** I acknowledge that the Company's employees are a valuable resource of the Company. I agree that during the course of my Service, and for a period of twelve (12) months immediately following the termination of my Service for any reason, whether with or without cause, at the option either of the Company or myself, with or without notice, or twelve (12) months from the date of any court order enforcing all or part of this Agreement, whichever is later, I will not, directly or indirectly, individually or on behalf of any other person, firm, partnership, corporation, or business entity of any type, solicit, assist, recruit, induce or in any way encourage any employee or consultant of the Company to terminate his or her employment relationship or consulting relationship with or for the Company.

5.4 **Covenant Not to Compete.**

(a) I agree that during the course of my Service, and for a period of twelve (12) months immediately following the termination of my Service for any reason, whether with or without cause, at the option either of the Company or myself, with or without notice, or twelve (12) months from the date of any court order enforcing all or part of this Agreement, whichever is later, I will not, either directly or indirectly, (i) act or agree to act as an advisor, agent, consultant, director, employee, officer, partner, proprietor or otherwise of, (ii) own or acquire any ownership interest in (except for passive ownership of one percent (1%) or less of any entity whose securities have been registered under the Securities Act of 1933, as amended, or Section 12 of the Securities Exchange Act of 1934, as amended) or (iii) participate in the organization, financing, operation, management or control of, any person, corporation, firm, or other entity that competes with, or that is planning to compete with, the Company's business in the Territory (A) as conducted by the Company during the course of my employment with the Company or (B) planned to be conducted by the Company pursuant to a product or business plan developed prior to the termination of my employment with the Company. "**Territory**" shall mean (i) all counties in the State of Texas, (ii) all other states of the United States of America, (iii) the European Union, (iv) Asia, and (v) all other countries of the world in which the Company is then engaged in business. In particular, "**Territory**" shall include such geographic areas in which (I) the Company's products and services are then deployed, (II) the Company then has a customer or (III) the Company then has operations or otherwise targets sales and marketing activities or conducts or has plans to conduct business during the course of my employment. I agree that I may not avoid the purpose and intent of this paragraph by engaging in conduct within the geographically limited area from a remote location through means such as telecommunications, written correspondence, computer generated or assisted communications, or other similar methods.

(b) The covenants contained in Section 5.4(a) above shall be construed as a series of separate covenants, one for each city, county and state of any geographic area in the Territory. Except for geographic coverage, each such separate covenant shall be deemed identical in terms to the covenant contained in Section 5.4(a). If, in any judicial proceeding, a court refuses to enforce any of such separate covenants (or any part thereof), then such unenforceable covenant (or such part) shall be eliminated from this Agreement to the extent necessary to permit the remaining separate covenants (or portions thereof) to be enforced.

5.5 Reasonableness; Enforcement

(a) I acknowledge that my fulfillment of the obligations contained in this Agreement, including, but not limited to, my obligation neither to use, except for the benefit of the Company, nor to disclose the Company's Proprietary Information and my obligations not to compete contained in this Section 5 is necessary to protect the Company's Proprietary Information and to preserve the Company's value and goodwill. I further acknowledge the time, geographic and scope limitations of my obligations under this Section 5 are reasonable, especially in light of the Company's desire to protect its Proprietary Information, and that I will not be precluded from gainful employment if I am obligated not to compete with the Company as described above. In the event the provisions of this Section 5 are deemed to exceed the time, geographic or scope limitations permitted by applicable law, then such provisions shall be reformed to the maximum time, geographic or scope limitations, as the case may be, then permitted by such law.

(b) This Agreement is understood to be clear and enforceable as written and is executed by both parties on that basis. However, should I later challenge any provision as unclear, unenforceable, or inapplicable to any competitive activity that I intend to engage in, I will first notify the Company in writing and meet with a Company representative and a neutral mediator (if the Company elects to retain one at its expense) to discuss resolution of any disputes between the parties. I will provide this notification at least fourteen (14) days before I engage in any activity on behalf of a competitor of the Company or engage in other activity that could foreseeably fall within a questioned restriction. The failure to comply with this requirement shall waive my right to challenge the reasonable scope, clarity, applicability, or enforceability of the Agreement and its restrictions at a later time. All rights of both parties will be preserved if this requirement is complied with even if no agreement is reached in the conference. I further agree that during the term of the restrictions in this Section 5, I shall promptly inform the Company in writing of the identity of any new employer, the job title of my new position and a description of any services to be rendered to that employer; and, if the new employer is a competitor of the Company, will communicate my obligations under this Agreement to each new employer, which shall include providing each new employer with a copy of this Agreement.

6. **No Conflicting Obligations.** I represent that my performance of all the terms of this Agreement and my Service does not and will not breach any agreement between me and any other employer, customer, person or entity. I have not entered into, and I agree I will not enter into, any agreement either written or oral in conflict herewith. I agree that, during the course of my Service, I will not engage in any other employment, occupation or consulting related to the business in which the Company is now involved or becomes involved during the course of my Service, nor will I engage in any other activities that conflict with my obligations to the Company.

7. **Return of Company Property.** When my Service is completed or at the Company's request at any time, I will immediately deliver to the Company (and will not keep in my possession, recreate or deliver to anyone else) all drawings, notes, records, data, notes, reports, proposals, lists, correspondence, blueprints, sketches, materials, equipment, memoranda, specifications, devices, formulas, and other documents (whether written, printed, or otherwise

reproduced or recorded), together with all copies thereof, including copies stored in any electronic medium, and any other material containing, constituting, or disclosing any Company Inventions, Third Party Information or Proprietary Information. I will also immediately deliver all Company property, including but not limited to, laptops, pagers, cell phones, corporate credit cards, keys and/or access cards. I further agree that all property situated on the Company's premises and owned, leased, or licensed by the Company, including disks and other storage media, filing cabinets or other work areas, is subject to inspection by personnel of the Company at any time with or without notice. In the event of the termination of my Service, I agree to sign and deliver the "**Termination Certification**" attached hereto as **Exhibit B**.

8. Legal and Equitable Remedies.

8.1 **Generally.** I acknowledge and agree that any breach or threatened breach of any term of this Agreement will result in immediate and irreparable harm to the Company and will cause damage to the Company in amounts difficult to ascertain and that monetary damages alone will not provide an adequate remedy to the Company. Accordingly, I agree that the Company shall be entitled, without bond and without prejudice to any other rights and remedies that the Company may have for a breach or threatened breach of this Agreement, to a temporary restraining order and to a preliminary and/or permanent injunction. I acknowledge that the remedies contained in this paragraph are reasonably related to the injuries the Company may sustain as a result of my breach or threatened breach of my obligations under the Non-Compete and Non-Solicitation Agreement and are not a penalty.

8.2 **Non-Compete Remedy.** Notwithstanding any provision to the contrary, in the event an enforcement remedy is sought under Section 5, the time periods provided for in that Section shall be extended by one day for each day I fail to comply with the restriction at issue. In the event of breach or threatened breach by me of any provision of Section 5 of this Agreement, the Company shall be entitled to (i) injunctive relief by temporary restraining order, temporary injunction, and/or permanent injunction, (ii) recovery of all attorneys' fees and costs incurred by the Company in obtaining such relief, and (iii) any other legal and equitable relief to which the Company may be entitled, including without limitation any and all monetary damages which the Company may incur as a result of said breach or threatened breach. An agreed amount for the bond to be posted if an injunction is sought by the Company is Five Hundred Dollars (\$500). The Company may pursue any remedy available, without limitation, including declaratory relief, concurrently or consecutively in any order as to any breach, violation, or threatened breach or violation, and the pursuit of one such remedy at any time will not be deemed an election of remedies or waiver of the right to pursue any other remedy.

9. **Authorization to Notify New Employer.** In the event that my employment with the Company terminates for any reason, I will provide a copy of this Agreement to any subsequent employer, and I hereby authorize the Company to notify and provide a copy of this Agreement to any new employer or entity for whom I provide services about my rights and obligations under this Agreement following the termination of my Service.

10. **Notices.** Any notices required or permitted hereunder shall be given to the appropriate party at the party's last known address. Such notice shall be deemed given upon personal delivery to the last known address or if sent by certified or registered mail, three days after the date of mailing.

11. **General Provisions.**

11.1 **Governing Law.** THIS AGREEMENT WILL BE GOVERNED BY THE LAWS OF THE STATE OF TEXAS WITHOUT REGARD FOR CONFLICTS OF LAWS PRINCIPLES.

11.2 **Exclusive Forum.** I HEREBY IRREVOCABLY AGREE THAT THE EXCLUSIVE FORUM FOR ANY SUIT, ACTION, OR OTHER PROCEEDING ARISING OUT OF OR IN ANY WAY RELATED TO THIS AGREEMENT SHALL BE IN THE STATE OR FEDERAL COURTS IN TEXAS, AND I AGREE TO THE EXCLUSIVE PERSONAL JURISDICTION AND VENUE OF ANY COURT IN TRAVIS COUNTY, TEXAS AND WAIVE ANY DEFENSE THERETO.

11.3 **Entire Agreement.** This Agreement, and any offer letter or employment agreement signed concurrently herewith, sets forth the entire agreement and understanding between the Company and me relating to the subject matter hereof and supersedes and merges all prior discussions or representations between us, including, but not limited to, any representations made during my interview(s) or relocation negotiations, whether written or oral, and any previously executed proprietary information agreements. No modification of or amendment to this Agreement, nor any waiver of any rights under this Agreement, will be effective unless in writing signed by the undersigned and the Chief Executive Officer of the Company. Any subsequent change or changes in my duties, salary, or compensation will not affect the validity or scope of this Agreement.

11.4 **Severability.**

(a) I acknowledge and agree that each agreement and covenant set forth herein constitutes a separate agreement independently supported by good and adequate consideration and that each such agreement shall be severable from the other provisions of this Agreement and shall survive this Agreement.

(b) I understand and agree that this Agreement is to be enforced to the fullest extent permitted by law. Accordingly, if a court of competent jurisdiction determines that the scope and/or operation of any section of this Agreement, including but not limited to, Sections 5.2, 5.3 and 5.4, is too broad to be enforced as written, the Company and I intend that the court should reform such provision to such narrower scope and/or operation as it determines to be enforceable, provided, however, that such reformation applies only with respect to the operation of such provision in the particular jurisdiction with respect to which such determination was made. If, however, any section of this Agreement, including, but not limited to, Sections 5.2, 5.3 and/or 5.4, is held to be illegal, invalid, or unenforceable under present or future law, and not subject to reformation, then (i) such provision shall be fully severable, (ii) this Agreement shall be construed and enforced as if such provision was never a part of this Agreement, and (iii) the remaining provisions of this Agreement shall remain in full force and effect and shall not be affected by the illegal, invalid, or unenforceable provision or by its severance.

11.5 **Successors and Assigns.** This Agreement will be binding upon my heirs, executors, administrators, and other legal representatives and will be for the benefit of the

Company, its successors and assigns. I expressly agree that the Company has the right to assign this Agreement.

11.6 **Survival.** The provisions of this Agreement shall survive the termination of my Service for any reason and the assignment of this Agreement by the Company to any successor in interest or other assignee.

11.7 **At-Will Relationship.** I AGREE AND UNDERSTAND THAT MY SERVICE IS FOR AN UNSPECIFIED DURATION AND IS “AT-WILL” EMPLOYMENT, WHICH MEANS THAT EITHER I OR THE COMPANY MAY TERMINATE THE RELATIONSHIP AT ANY TIME, WITH OR WITHOUT PRIOR NOTICE AND WITH OR WITHOUT CAUSE. I ALSO UNDERSTAND THAT ANY REPRESENTATION TO THE CONTRARY IS UNAUTHORIZED AND NOT VALID UNLESS OBTAINED IN WRITING AND SIGNED BY THE COMPANY’S CHIEF EXECUTIVE OFFICER. I FURTHER AGREE AND UNDERSTAND THAT NOTHING IN THIS AGREEMENT SHALL CONFER ANY RIGHT WITH RESPECT TO CONTINUATION OF SERVICE, NOR SHALL IT INTERFERE IN ANY WAY WITH MY RIGHT OR THE COMPANY’S RIGHT TO TERMINATE MY SERVICE AT ANY TIME, WITH OR WITHOUT CAUSE OR ADVANCE NOTICE.

11.8 **Waiver.** No waiver by the Company of any breach of this Agreement shall be a waiver of any preceding or succeeding breach. No waiver by the Company of any right under this Agreement shall be construed as a waiver of any other right. The Company shall not be required to give notice to enforce strict adherence to all terms of this Agreement.

11.9 **Recovery of Attorneys’ Fees.** In the event of any litigation arising from or relating to this Agreement, the prevailing party in such litigation proceedings shall be entitled to recover, from the non-prevailing party, the prevailing party’s costs and reasonable attorneys’ fees, in addition to all other legal or equitable remedies to which it may otherwise be entitled.

11.10 **Construction.** The headings to each section or paragraph of this Agreement are provided for convenience of reference only and shall have no legal effect in the interpretation of the terms hereof. The language used in this Agreement will be deemed to be the language chosen by the parties to express their mutual intent and no rules of strict construction will be applied against either party.

11.11 **Counterparts.** This Agreement may be executed in one or more counterparts, each of which will be deemed an original, but all of which together will constitute one and the same agreement.

11.12 **Telecopy Execution and Delivery.** A facsimile, telecopy or other reproduction of this Agreement may be executed by one or more parties to this Agreement, and an executed copy of this Agreement may be delivered by one or more parties to this Agreement by facsimile or similar electronic transmission device pursuant to which the signature of or on behalf of such party can be seen, and such execution and delivery shall be considered valid, binding and effective for all purposes. At the request of any party to this Agreement, all parties to this Agreement agree to execute an original of this Agreement as well as any facsimile, telecopy or other reproduction of this Agreement.
