ASSIGNMENT

WHEREAS, I, as below named inventor, residing at the addresses stated below my name, am the sole inventor of certain new and useful improvements in A CLAMPING DEVICE FOR CLAMPING A TOOL OR WORK PIECE, for which a non-provisional application was filed in the U.S. Patent and Trademark Office on March 2, 2021 and has been assigned Application No. 17/189,425, an application was filed in Europe on March 2, 2021 and has been assigned EP Application No. 21160122.4, an application was filed in China on March 5, 2021 and has been assigned CN Application No. 202110243778.5 and a Utility Model application was filed in China on March 5, 2021 and has been assigned CN Application No. 202120477047.2, each of these applications claim priority to Provisional Application Serial No. 62/985,523, filed on March 5, 2020, and was subsequently assigned to Schaublin SA.

WHEREAS, I possess the entire right, title and interest in the forgoing invention, free from all encumbrances, and have full right to convey our part or all of our interest, and

WHEREAS, Schaublin SA (hereinafter referenced as ASSIGNEE), a corporation, having a place of business at Rue de la Blancherie 9, Delémont, 2800 CH, is desirous of acquiring all rights, title and interest in, to and under said inventions, said applications disclosing the inventions and in, to and under any Letters Patent or similar legal protection which may be granted therefor in the United States and in any and all foreign countries;

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00), and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I, as sole inventor as indicated below, by these presents do hereby assign, sell and transfer unto the said ASSIGNEE, its successors, assigns, and legal representatives, the full, exclusive and entire right, title and interest in the said inventions, said applications, including any non-provisional patent applications and any divisions, continuations and reissues thereof, and in and to any and all Letters Patent of the United States, and countries foreign thereto, which may be granted for said invention, and in and to any and all priority rights and/or convention rights under the International Convention for the Protection of Industrial Property, Inter-American Convention Relating to Patents, Designs and Industrial Models, and any other international agreements to which the United States of America adheres, and the right to sue and collect damages for past infringement, and to any other benefits accruing or to accrue to me with respect to the filing of applications for patents or securing of patents in the United States and countries foreign thereto, and I hereby authorize and request the Commissioner of Patents to issue the said United States Letters Patent to said ASSIGNEE, as the assignee of the whole right, title and interest thereto;

AND I further agree to execute all necessary or desirable and lawful future documents, including assignments in favor of ASSIGNEE or its designee, as ASSIGNEE or its successors, assigns and legal representatives may from time-to-time present to me and without further

remuneration, in order to perfect title in said invention, modifications, and improvements in said invention, applications and Letters Patent of the United States and countries foreign thereto;

AND I further agree to properly execute and deliver and without further remuneration, such necessary or desirable and lawful papers for application for foreign patents, for filing subdivisions of said application for patent, and or, for obtaining any reexaminations, reissue or reissues of any Letters Patent which may be granted for our aforesaid invention, as the ASSIGNEE thereof shall hereafter require and prepare at its own expense;

AND I further agree that ASSIGNEE will, upon its request, be provided promptly with all pertinent facts and documents relating to said application, said invention and said Letters Patent and legal equivalents in foreign countries as may be known and accessible to me and will testify as to the same in any reexamination, interference or litigation related thereto;

AND I hereby covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment and sale.
