PATENT ASSIGNMENT

WHEREAS, SCHULTZ ENGINEERING, LLC, a limited liability company organized and existing under and by virtue of the laws of the State of Michigan, having offices at 11919 Mill Lane, Grand Haven, Michigan 49417, (hereinafter "Assignor"), owns an undivided interest in certain inventions that are the subject of pending patent applications or existing Letters Patent as follows:

(See Appendix A)

WHEREAS, TUGA-GLOBAL, INC., a corporation organized and existing under and by virtue of the laws of the State of Michigan, having offices at 11919 Mill Lane, Grand Haven, Michigan 49417, (hereinafter "Assignee"), is desirous of acquiring the entire right, title and interest of said Assignor in and to said patents, pending applications and/or Letters Patents that may be granted thereon.

NOW, THEREFORE, BE IT KNOWN that, for and in consideration of the sum of One Dollar (\$1.00) in hand paid, by said Assignee, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, said Assignor, has sold, assigned, transferred and set over, and does hereby sell, assign, transfer and set over to said Assignee, said patents and any applications for Letters Patent and any Letters Patent issued therefrom, including, without limitation, the right of priority to file and prosecute corresponding applications for Letters Patent in any and all jurisdictions throughout the world and the rights to all Letters Patent which may be granted therefrom and any foreign counterparts with respect thereto, the same to be held and enjoyed by said Assignee, for its own use and behoof, and for the use and behoof of its successors, assigns or other legal representatives, to the end of the term or terms for which said application for Letters Patent and any issued Letters Patent of the United States which are or may

be granted or reissued as fully and entirely as the same would have been held and enjoyed by said Assignor if this assignment and sale had not been made; together with all the claims for damages by reason of past infringement of said Letters Patent, with the right to sue for, and collect the same for its own use and behoof, and for the use and behoof of its successors. Assignor hereby authorizes and requests the United States Commissioner for Patents and the officials empowered to record Assignee as the assignee and owner of said patents and pending applications and to issue patents in countries foreign to the United States of America, to issue any and all Letters Patent of the United States and foreign countries on said inventions or resulting from said applications or any divisionals, renewals, reissues, reexaminations, extensions, continuations, or continuations-in-part thereof to said Assignee, as assignee of the entire interest, and hereby represents, warrants, and covenants that it has full right to convey the entire interest herein assigned, and that it has not executed, and will not execute, any agreement in conflict herewith.

IN TESTIMONY WHEREOF, Assignor, has caused these presents to be signed by its member, or otherwise deemed officer, and thereunto duly authorized this 13 day of May, 2021.
