Inventor and Assignor Declaration

Whereas, as an above named Inventor and Assignor, I hereby declare that:

This declaration is directed to the attached United States patent application, which is the US national phase of PCT international application number PCT/EP2019/084120 having an international filing date of 09 December 2019.

The above-identified application was made or authorized to be made by me/us.

I/we believe that I/we am/are the original and first inventor/s or original and first joint inventor/s of the subject matter which is claimed and for which a patent is sought.

I/we have reviewed and understand the contents of the application, including the claims, as amended by any amendment specifically referred to in this declaration.

I/we acknowledge the duty to disclose to the United States Patent and Trademark Office all information known to me/us to be material to patentability as defined in 37 CFR 1.56.

I/we hereby acknowledge that any willful false statements and the like are punishable by fine or imprisonment, or both (18 USC 1001) and may jeopardize the validity of the application or any patent issuing thereon.

I/we declare that all statements made of the declarant's own knowledge are true and that all statements made on information and belief are believed to be true.
