**CONFIDENTIALITY ASSIGNMENT OF
INVENTIONS AND NON-COMPETE AGREEMENT**

This Agreement is entered into between UV Light Care, Inc., a Delaware limited liability corporation ("**Company**") and Anthony Ball ("**Consultant**") and is effective as of August 12, 2015.

WITNESSETH:

In consideration of the covenants and agreements herein contained and other good and valuable consideration, and intending to be legally bound hereby, Company and Consultant agree as follows:

1. DEFINITION

1.2 "Developments" shall mean any idea, invention, improvement, design, process, methodology, data base, documentation and original works of authorship, including without limitation, all ideas, methodologies or feedback relating to the Company's business (whether or not patentable) of developing a device for the application of light for the disinfection of catheters and other vascular devices and all software code related to the Company's present or future products.

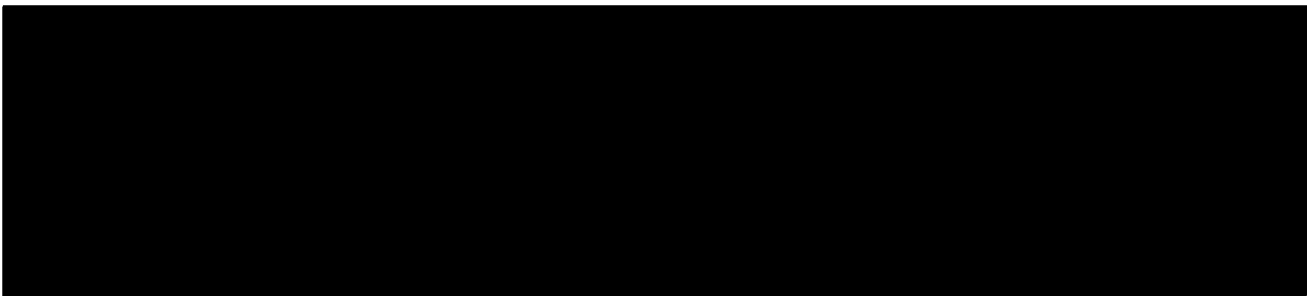

3. ASSIGNMENT OF INVENTIONS AND ORIGINAL WORKS

3.1 Assignments; Works Made for Hire. Consultant hereby assigns to Company or to any party designated by Company the entire right, interest and title to all Developments made, conceived or first reduced to practice solely or jointly by Consultant, whether or not such Developments are patentable, copyrightable or developed during normal working hours, which: (i) were made, conceived or first reduced to practice in the course of performance of Consultant's involvement with the Company, or with the use of Company's time, materials, funds or facilities; or (ii) are related to information, technology or investigations of Company to which Consultant has access as part of work or involvement with the Company.

3.2 Retained Inventions. Consultant has attached hereto as Exhibit B is a list of all Developments not assigned by Section 3.1 in which Consultant has any right, title or interest and which were previously written, made or conceived solely or jointly by Consultant.

3.3 Prompt Disclosure; Duty of Assistance. In connection with any of the Developments assigned by Section 3.1, Consultant will (i) promptly disclose them to the Company and (ii) on the request of Company, promptly execute an assignment to Company and do anything else necessary to enable Company to secure a patent, copyright or other form of protection therefor. In exchange for attribution credit on any patent, copyright or other form of protection Consultant waives and releases, to the extent permitted by law, all rights to the foregoing.

5. GENERAL PROVISIONS

5.1 With respect to the subject matter of this Agreement, this is the entire agreement between Consultant and Company except where other agreements have been specifically referenced, and supersedes all previous oral or written understandings or agreements between Consultant and Company. No waiver or modification of any provision of this Agreement shall be effective unless signed by both Company and Consultant. This Agreement shall be governed and enforced by the laws of the Commonwealth of Massachusetts, excluding its conflicts of laws rules.

5.2 If any provision of this Agreement is or is deemed to be invalid, illegal or unenforceable in any jurisdiction, such provision shall be deemed amended to conform to applicable laws so as to be valid and enforceable and the remainder of this Agreement shall remain in full force and effect.

5.3 Company may enforce the terms of this Agreement by injunction, specific performance or other equitable relief without prejudice to Company's other rights and remedies under this Agreement.

5.4 This Agreement contains the entire agreement of the parties hereto relating to the subject matter hereof, and supersedes all prior and contemporaneous agreements and understandings with respect to the subject matter hereof. This Agreement may not be modified, except by a written instrument executed by the parties hereto.

5.5 In no event shall Consultant be liable to Company for lost profits of Company, or special, incidental or consequential damages (even if Consultant has been advised of the possibility of such damages).

5.6 Company shall indemnify Consultant against all claims, liabilities and costs, including reasonable attorneys fees, of defending any third party claim or suit, arising out of or in

connection with Consultant's performance under this agreement other than as a result of Consultant's willful misconduct or gross negligence.

IN WITNESS WHEREOF and intending to be legally bound, Company and Consultant have entered into this Agreement as of the Effective Date set forth below.

ASSIGNMENT OF PATENT APPLICATION

FOR GOOD AND VALUABLE CONSIDERATION,

We, the undersigned (each) have agreed and hereby agree to assign for good and valuable consideration, receipt of which is hereby expressly acknowledged, and do hereby sell, assign and transfer unto

UV Light Care, Inc.

an entity organized under the laws of Delaware, with offices at 4 Durham Drive, Lynnfield, MA 01940-1238 as Assignee, and its successors, assigns and legal representatives, the entire right, title and interest, for all countries in and to certain inventions relating to

SYSTEM AND METHOD FOR STERILIZATION USING ULTRAVIOLET RADIATION

described in an application for Letters Patent of the United States, identified as Attorney Docket No. 364/0002, at Loginov & Associates, PLLC, 214 South Main Street, Concord, NH 03301-4844 and filed on 6/21/2017 as Application Serial No. 15/628,792, and the invention(s) and improvement(s) set forth therein, and any and all continuations, continuations-in-part, divisionals, and renewals of and substitutes for said application for said Letters Patent, and all the rights and privileges under any and all Letters Patent that may be granted therefor in any country, and any reissues, or reexaminations, or extensions of said Letters Patent. We do hereby authorize our attorneys to insert on this deed the filing date and application number of said application when known. We request that any and all Letters Patent for said inventions be issued to said Assignee, its successors, assigns and legal representatives, or to such nominees as it may designate.

We agree that, when requested, we will, without charge to said Assignee but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said inventions in any and all countries and for vesting title thereto in said Assignee, its successors, assigns and legal representatives or nominees.

We authorize and empower the said Assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for said inventions filed by it or them, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from us.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of the said Assignee or nominee to claim the aforesaid benefit of the right of priority provided by the International convention which may henceforth be substituted for it.

We covenant with said Assignee, its successors, assigns and legal representatives, that the rights and property herein conveyed are free and clear of any encumbrance, and that we have full right to convey the same as herein expressed.

IN WITNESS WHEREOF, we have hereunto signed our names on the day and year set forth below.
