ASSIGNMENT

WHEREAS, Arrow Gaming, Inc., a corporation of the State of Nevada, having a place of business at 1425 Market Street, Suite 205, Denver, Colorado 80202 (hereinafter called the "Assignor"), is the owner of United States of America Application for Letters Patent for the Title "SYSTEMS AND METHODS FOR PEER-TO-PEER GAMING" for which a United States Patent application was filed on June 19, 2009 and bears Application Number 12/488,241; (hereinafter "Application")

AND, WHEREAS, AG 18, LLC, a corporation of the State of Delaware, having a place of business at 5082 E. Hampden Ave., Suite 289, Denver, Colorado 80222 (hereinafter called the "Assignee"), is desirous of acquiring the entire right, title, and interest in and to said Application and the inventions and improvements therein disclosed.

NOW, THEREFORE, for good and valuable consideration paid to us by said Assignee, the receipt and sufficiency of which are hereby acknowledged, we, hereinafter the Assignor, do hereby assign, sell and transfer unto said Assignee the full and exclusive right, title and interest in and to said Application and the inventions and improvements therein disclosed for the United States and all foreign countries and any Letters Patent which may issue therefor in the United States and all foreign countries, and all conversions, divisions, reissues, continuations, continuations-in-part, renewals and/or extensions thereof. Such assignment also includes the right to claim priority to the Application under any law, rule, treaty, or convention. Such assignment extends to the full ends of the terms of the Application and such Letters Patent as fully and entirely as the same would have been held and enjoyed by us had this Assignment not been made. Said full and exclusive right, title, and interest referred to above includes all rights to all past, present and future claims for infringement of any patent resulting from said Application including the right to grant licenses, to bring lawsuits, and to recover damages for any past, present, and future infringement, whether known or unknown, now existing or hereafter arising.

We, covenant that we are a lawful owner of said Application, inventions and improvements, that the same are unencumbered, that no license has been granted to make, use or vend the said inventions or improvements thereof, and that we have the full right to make this Assignment.

And for the consideration aforesaid, Assignor does hereby agree that we will communicate to said Assignee or the representatives thereof any facts known to me respecting said inventions and improvements, and will, upon request but without expense to Assignor, testify in any legal proceedings, sign all lawful papers, execute all conversion, divisional, reissue, continuation, continuation-in-part, renewal and/or extension Application, make all rightful oaths, and generally do all other and further lawful acts deemed necessary or expedient by said Assignee or by counsel for said

Assignee to assist or enable said Assignee to obtain and enforce full benefits from the rights and interests herein assigned. This Assignment shall be binding upon my heirs, executors, administrators and/or assigns, and shall inure to the benefit of the heirs, executors, administrators, successors and/or assigns, as the case may be, of said Assignee.

The Commissioner of Patents and Trademarks is hereby authorized and requested to issue patents to the Assignee in accordance with the terms of this Assignment.
