ASSIGNMENT

I, the undersigned inventor, have made inventions which now are described in:

United States Provisional Patent Application 62/888,202 filed August 16, 2019;
United States Provisional Patent Application 62/890,417 filed August 22, 2019;
United States Provisional Patent Application 62/985,114 filed March 4, 2020;
United States Provisional Patent Application 63/001,970 filed March 30, 2020;
United States Utility Patent Application number 16/994,237 filed August 14, 2020; and
Canadian Utility Patent Application filed August 14, 2020, titled OUTDOOR FIRE PIT AND POST
HOLDER claiming priority to the above provisional patent applications.

NOW THEREFORE, pursuant to the obligations imposed by or arising under one or more of my employment agreement(s), advisor agreement(s), state or national statutes, common law, and administrative regulation, I hereby make the following assignment:

To Breeo, LLC, a limited liability company organized under the laws of the State of Pennsylvania, having a business address of 5002 Lincoln Highway, Kinzers, PA 17536, and its successors and assigns, I hereby:

1) assign, transfer, and set over the full and exclusive right to the above-described inventions and to the above-described patent applications and any patent application claiming the benefit of or priority to any of these patent applications as well as any substitute, continuation, continuation-in-part, or divisional application filed thereon, to any application for letters patent that claims priority from the above-described applications, and to any letters patent that issues from such application(s) as well as any reissue application or request for reexamination filed on such letters patent;

2) covenant and agree for myself and my legal representative(s) to
a) assist said assignee and/or its designee(s), to the extent requested, in the prosecution of said application for patent, in any interference declared on said application for patent or patent issuing therefrom, or in litigation which arises out of or is based on said application for patent or patent issuing therefrom, and

b) execute all papers related to said application for patent which said assignee or its designee(s) request to be signed,

provided that expenses relating thereto shall be borne by said assignee; and

3) authorize and request the Commissioner of Patents and Trademarks to issue any letters patent of the United States relating to the above-described invention in the name of said assignee.

IN WITNESS WHEREOF, I have executed this document with the effective date below.

Date: 9-5-2020

Amos A. Stoltzfus
