ASSIGNMENT

THIS ASSIGNMENT, made by us, **Amit Kaistha**, a citizen of the United States of America, having an address in Coppell, Texas; **Michel Dembinski**, a citizen of the United States of America, having an address in Dallas, Texas; **Yongjie Xu**, a citizen of the People's Republic of China, having an address is Shanghai, Jiangsu, China; **Xiangyang Ai**, a citizen of the People's Republic of China, having an address in Dallas, Texas; **Gilberto Guerra**, a citizen of Mexico, having an address in Denton, Texas; **XiaoHua Hou**, a citizen of the People's Republic of China, having an address in Richardson, Texas; **Walter Mark Hendrix**, a citizen of the United States of America, having an address in Richardson, Texas; and **Willis Frank James**, a citizen of the United States of America, having an address in Wylie, Texas;

WITNESSETH: That,

WHEREAS, we are inventors of certain new and useful improvements in **LENSED BASE STATION ANTENNAS HAVING HEAT DISSIPATION ELEMENTS** for which PCT Patent Application No. PCT/US2019/055173 was filed October 8, 2019 in the United States Patent and Trademark Office as the International Receiving Office; and

WHEREAS, **CommScope Technologies LLC**, a North Carolina corporation having a principal place of business at 1100 CommScope Place SE, Hickory, North Carolina, 28602, hereinafter referred to as assignee, is desirous of acquiring the entire right, title and interest in and to said invention as described in said PCT patent application, and in and to any and all Letters Patent which shall be granted therefor in the United States of America and all foreign countries;

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we have sold and by these presents do hereby sell, assign, transfer, and convey unto the said assignee, its successors and assigns, the entire right, title, and interest in and to the said invention, the PCT patent application and any priority provisional patent application thereof, and in and to any and all subsequent patent applications which claim the benefit of priority of one or more of the priority provisional patent applications and/or the PCT application including regular utility, continuations, and continuations-in-part, or divisions thereof, and in and to any and all Letters

patent applications claiming the benefit of priority from any of said priority provisional patent applications, for the full end of the term for which said Letters Patent may be granted along with any term extensions thereof or therefor, together with the right to claim the benefit of priority of any of said priority applications and this PCT patent application in all foreign countries in accordance with the International Convention, the same to be held and enjoyed by said assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by us if this assignment and sale had not been made.

We further covenant and agree that, at the time of the execution and delivery of these presents, to the extent we have not already assigned our rights to the assignee, we possess full title to the invention and application(s) above-mentioned, and that we have the unencumbered right and authority to make this assignment.

We further covenant and agree to communicate to said assignee or its representatives any facts known to us relating to said invention, to testify in any interference or legal proceedings involving said invention, to execute any additional papers which may be requested to confirm the right of the assignee, its representatives, successors, or assigns to secure patent or similar protection for the said invention in all countries and to vest in the assignee complete title to the said invention and Letters Patent, without further compensation, but at the expense of said assignee, its successors, assigns, and other legal representatives; and we hereby instruct, and further covenant and agree to bind our heirs, legal representatives, and assigns, to do same, without further compensation, but at the expense of said assignee or its representatives.
