CONFIRMATORY ASSIGNMENT

United States Patent Application No.: 13/031,565

Application Filing Date: February 21, 2011

MBHB Case No.: 10-1096

Snap-on Ref. No. SNI-02648

Inventors: Mark Theriot, Patrick S. Merg, Roy Steven Brozovich, and Bradley R. Lewis

I, Roy Steven Brozovich, hereby acknowledge and confirm that all of my entire right, title and interest in the invention or improvements of the undersigned disclosed in an application for Letters Patent of the United States, entitled:

Diagnostic Baselineing

and identified as:

Case No. 10-1096

in the offices of McDONNELL BOFFINEN HULBERT & BERGHOFF LLP and in said application and any and all other applications, both United States and foreign, which the undersigned may file, either solely or jointly with others, on said invention or improvements, and in any and all Letters Patent of the United States and foreign countries, which may be obtained on any of said applications, and in any reissue or extension of such patents, and the priority right provided by the International Convention, were assigned by me to:

**Snap-on Incorporated
2801 80th Street
Kenosha, Wisconsin 53141-1410
("Assignee")**

its successors and assigns no later than February 16, 2011 and to the extent that any such rights were not transferred, in consideration of One Dollar (\$1.00) and other good and valuable considerations in hand paid, the receipt and sufficiency whereof are hereby acknowledged, I hereby transfer all such rights to Assignee *nunc pro tunc* effective as of February 16, 2011, or, if *nunc pro tunc* assignment is not recognized under controlling law or practice, as of the date of my execution of this assignment.

The undersigned hereby authorizes and requests the Commissioner of Patents and Trademarks to issue any and all Letters Patent to said assignee.

For said considerations the undersigned hereby agrees, upon the request and at the expense of said assignee, its successors and assigns, to execute any and all divisional, continuation and substitute applications for said invention or improvements, and any necessary oath, affidavit or declaration relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application and any and all applications and other documents for Letters Patent in foreign countries on said invention or improvements, that said assignee, its successors or assigns may deem necessary or expedient, and for the said considerations the undersigned authorizes said assignee to apply for patents for said invention or improvements in its own name in such countries where such procedure is proper and further agrees, upon the request of said assignee, its successors and assigns, to cooperate to the best of the ability of the undersigned with said assignee, its successors and assigns, in any proceedings or transactions involving such applications or patents, including the preparation and execution of preliminary statements, giving and producing evidence, and performing any and all other acts necessary to obtain, maintain and enforce said Letters Patent, both United States and foreign, and vest all rights therein hereby conveyed in the assignee, its successors and assigns, whereby said Letters Patent will be held and enjoyed by the said assignee, its successors and assigns, to the full end of the term for which said Letters Patent will be granted, as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment had not been made.
