## ASSIGNMENT OF RIGHTS: PATENT APPLICATION

TITLE: BATTERY CHARGER SYSTEM

ATTORNEY DOCKET No.: CYSW-001

WHEREAS, I, Ron Silorio, the undersigned inventor or joint inventor, has invented a new, original and useful invention, entitled as shown above, for which a United States Patent Application will be filed;

WHEREAS, CyberSwitchingPatents, LLC, a company registered with the State of California and having a place of business at 1921 Ringwood Ave, San Jose, CA, 95131, desires to acquire all rights in and to the Patent Application and the Patent (and any reissues or extensions) that may be granted;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I sell, assign and transfer unto CyberSwitchingPatents, LLC, the full and exclusive right to the said invention in the United States and its territorial possessions and in all foreign countries (including the right to claim priority under the terms of the International Convention and other relevant International Treaties and Arrangements from the aforesaid application(s)) and the entire right, title and interest in and to any and all Patents which may be granted therefor in the United States and its territorial possessions and in any and all foreign countries and in and to any and all divisions, reissues, continuations, substitutions and renewals thereof.

I hereby further agree to: (a) cooperate with CyberSwitchingPatents, LLC in the prosecution of the Application and foreign counterparts; (b) execute, verify, acknowledge, and deliver all such further papers, including patent applications and instruments of transfer; and (c) perform such other acts as CyberSwitchingPatents, LLC lawfully may request to obtain or maintain the Patents for the invention in any and all countries.

I hereby authorize and request the Patent Office Officials in the United States and its territorial possessions and any and all foreign countries to issue any and all of Patents, when granted, to CyberSwitchingPatents, LLC as the assignee of my entire right, title and interest in and to the same, for the sole use and behoof of CyberSwitchingPatents, LLC, its successors and assigns, to the full end of the terms for which said Patents may be granted, as fully and entirely as the same would have been held by me had this Assignment and sale not been made.
