USING AN APPLICATION DATA SHEET (37 CFR 1.76)**

Title of Invention	INFORMATION SECURITY SYSTEM AND METHOD FOR PHISHING THREAT DETECTION USING TOKENS
-----------------------	--

As the below named inventor, I hereby declare that:

This declaration is  
directed to: ☒ The attached application, or  
☐ United States application or PCT international application number \_\_\_\_\_  
filed on \_\_\_\_\_.

The above-identified application was made or authorized to be made by me.

I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C.  
1001 by fine or imprisonment of not more than five (5) years, or both.

**ASSIGNMENT**

WHEREAS, I **Kelly Renee-Drop Keiter** ("Assignor"), a citizen of the United States of America (Country),  
residing in Waxhaw, North Carolina (City, State/Province) have invented the above invention. If the following  
lines are blank, the above application was filed on even date herewith, otherwise, to comply with 37 C.F.R.  
§3.21 for recordal of this assignment, I an assignor below, hereby authorize the attorneys for Bank of America  
to insert the filing date and application number below after they become known and prior to filing the  
recordation.

U.S. Application No. 17/330,497, filed May 26, 2021

WHEREAS, BANK OF AMERICA CORPORATION ("Assignee"), a Corporation duly organized under the laws of  
the State of Delaware, and having its offices and place of business at Charlotte, North Carolina, is desirous of  
acquiring the entire right, title and interest in and to the aforesaid inventions and in and to all applications and  
Letters Patent therefor granted in the United States of America, and in any and all countries foreign thereto:

NOW, THEREFORE, TO WHOM IT MAY CONCERN, be it known that, for good and valuable consideration,  
including salary or payment for the making of inventions, or employee benefits, the receipt and sufficiency of  
which is hereby acknowledged, I said Assignor, by these presents do sell, assign and transfer unto said  
Assignee, its successors, assigns and legal representatives, the full and exclusive right, title and interest for the  
territory of the United States of America and all countries foreign thereto, and throughout the world and in  
space, {including the right to apply for Letters Patent in foreign countries in its own name and to claim any  
priority rights for such foreign applications to which such applications are entitled under international  
conventions, treaties, or otherwise), in and to said inventions and in and to all applications and Letters Patent

granted therefor, and all non-provisionals, divisionals, reissues, reexaminations, continuations, continuation-in-parts and extensions thereof, and in and to all copyrights, trademarks with their associated goodwill, trade secrets, confidential information, and compilations, necessary or useful to make, use, or sell the inventions. I hereby authorize and request the Commissioner of Patents, and any official whose duty it is to issue patents, to issue all Letters Patent on said inventions or resulting therefrom to said Assignee, or its successors and assigns, as assignee of the entire right, title and interest. I represent and warrant that I have full right to agree to, execute, and deliver this assignment. I agree that I will without further consideration, but at the expense of Assignee, communicate to said Assignee, or its successors, assigns, or nominees, any and all facts known to me regarding said inventions whenever requested, and that I will execute all non-provisional, divisional, reissue, reexamination, continuation and continuation-in-part applications, testify in any legal proceedings, sign all lawful papers, make all rightful oaths, and generally do everything reasonable for said Assignee, its successors, assigns, and nominees, to obtain and enforce proper patent protection for said inventions in all countries.

**WARNING**

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PT0-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PT0-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.
