COMBINED DECLARATION AND ASSIGNMENT

SUMMARY

This instrument serves as a Declaration under 37 C.F.R. 1.63 and assigns rights in the invention identified herein from the inventors identified herein to the assignee identified herein.

INVENTION

The Invention is entitled "TISSUE PAPER" and is described and/or claimed in a Patent Application:

- identified by PCT International Application Number PCT/JP2019/045730 filed on November 22, 2019.
- filed contemporaneously herewith.

INVENTORS

The Inventor(s) and Assignor(s) of the Invention are: Shuta Yasui and Minoru Iwasaki

ASSIGNEE

The Assignee of the Invention is DAIO PAPER CORPORATION, which is a corporation created and duly organized under the laws of Japan and having a place of business at 2-60, Mishimakamiyacho, Shikokuchuo-shi, Ehime 7990492, Japan, its successors, transferees, and assignees.

DECLARATION

In accordance with 37 C.F.R. 1.63, by my respective signature below, I hereby declare:

- The Patent Application identified herein was made or authorized to be made by me.
- I believe that I am the original inventor or an original joint inventor of a claimed invention in the Patent Application.

ASSIGNMENT

Pursuant to obligations imposed by or arising under one or more of an employment agreement, advisor agreement, state or national statutes, common law, and administrative regulation, and/or other good and valuable consideration, the receipt of which is hereby acknowledged, and intending to be legally bound, by my respective signature below, I hereby make the following assignments to the Assignee:

- assign, transfer, and set over all of our individual and joint right, title, and interest, throughout the world, in the Invention identified herein, and to the Patent Application identified herein, including any non-provisional, substitute, continuation, continuation-in-part, or divisional application filed thereon, and to any letters patent of the United States that issues from or claims priority to said patent application(s), as well as any reissue application or request for reexamination filed on such letters patent;
- covenant and agree for ourselves and our legal representative(s) to
 - a) assist said Assignee and/or its designee(s), to the extent requested, in the prosecution of any patent application(s) contemplated by this Assignment, in any patent office proceeding on said

- patent application or patent issuing therefrom, or in litigation that arises out of or is based on said patent application or patent issuing therefrom, and
- b) execute all papers related to patent applications contemplated by this Assignment that said assignee or its designee(s) request to be signed, provided that expenses relating thereto shall be borne by said Assignee; and
 - authorize and request the Commissioner of Patents and Trademarks to issue any letters patent of the United States relating to the above-identified invention in the name of said Assignee.

To the extent that any portion of the rights assigned by this Assignment has previously been assigned to the Assignee, this Assignment is a confirmation of the previous assignment.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.
