COMBINED ASSIGNMENT AND DECLARATION (37 CFR §1.63)

WHEREAS, I/we, the undersigned, have made certain invention or inventions which are disclosed in patent application(s) and/or provisional patent application(s) entitled:

IMPROVED METHODS FOR HYBRID CORN SEED PRODUCTION

filed under the Patent Cooperation Treaty as International Application No. PCT/US2019/018127, identified as U.S. Application No. 16/276,615, filed February 15, 2019, claiming priority to Application Nos. 62/631,199, filed February 15, 2018 and 62/775,343, filed December 4, 2018;

The above-identified application was made or authorized to be made by us.

We believe that we are the original inventor or an original joint inventor of a claimed invention in the application.

WHEREAS, **Monsanto Technology LLC**, of 800 North Lindbergh Boulevard, St. Louis, MO 63167, a Corporation of the State of Delaware, is desirous of acquiring the entire right, title and interest in and to said invention or inventions and any and all patents to be obtained therefor;

NOW, THEREFORE, FOR GOOD AND VALUABLE CONSIDERATION, the receipt of which is hereby acknowledged, we do hereby sell, assign and transfer to said **Monsanto Technology LLC**, its successors and assigns, the entire right, title and interest in and to said invention or inventions, in any form or embodiment thereof, and in and to said application(s); and in and to any and all applications filed in any country based thereon, including the right to file applications in countries other than the country of priority filing under the provisions of any international convention; also in and to any and all improvements on said invention or inventions now or hereafter made by us as employee(s), agent(s) or contractor(s) of said **Monsanto Technology LLC**; also the entire right, title and interest in and to any and all patents, including reissues and extensions thereof, to be obtained in any country upon said invention, inventions or improvements; and any and all continuing applications, including divisional, continuation and continuation-in-part applications, substitute applications, and applications claiming benefit of an earlier filed provisional application, which may be filed upon said invention, inventions or improvements in any country; and

We hereby authorize and request the issuing authority to issue any and all patents on said application or applications to said **Monsanto Technology LLC**, as assignee of the entire interest.

We further agree, without any payment by **Monsanto Technology LLC** other than in reimbursement of reasonable expenses we may incur, to communicate to said **Monsanto Technology LLC**, its representatives or agents, any facts relating to said invention, inventions or improvements, including evidence for purposes of interference, opposition or other legal proceedings, whenever requested; testify in any interference, opposition or other legal proceedings, whenever requested; and execute and deliver, on request, all lawful papers required to make any of the foregoing provisions effective.
