**NOW, THEREFORE**, for good and valuable consideration, the receipt of which is hereby acknowledged, ASSIGNOR hereby sells, assigns, transfers and sets over unto the

ASSIGNEE, its successors and assigns his entire title, right and interest in and to the INVENTION, and to all Letters Patent or similar legal protection arising therefrom, not only in the United States and its territorial possessions, but in all countries foreign thereto obtained and/or to be obtained for said INVENTION by said application or any continuation, continuation-in-part, divisional, renewal, substitute, reissue or reexamination thereof or any legal equivalent thereof in a foreign country for the full term or terms for which the same may be granted, including all priority rights under any International Convention; the same to be held and enjoyed by the said ASSIGNEE for its own use, and for its legal representatives and assigns, as fully and entirely as the same would have been held by ASSIGNOR had this assignment and sale not been made, together with the right to sue for and collect damages for acts of past infringement of said INVENTION.
