ASSIGNMENT	Attorney Docket No.:	Page 1 of 1
	Client Ref. No.: M-3015-US01	
	Title: An inner source assembly and associated components	

ASSIGNMENT

WHEREAS, I the undersigned have invented certain new and useful improvements as described in a patent application entitled "An inner source assembly and associated components" filed on 23 November 2020 in the United States Patent and Trademark Office ("USPTO") as application no. 17/057,724 (together with all materials associated with Assignee matter no. M-3015-US01, "Invention"); and

WHEREAS, Waters Pacific Pte Ltd (together with its successors and assigns, the "Assignee"), seeks to memorialize its ownership of the entire right, title and interest in and to the Invention;

NOW, THEREFORE, in exchange for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, I acknowledge transfer of my entire right, title, and interest in and to the Invention to Assignee, including all inventions disclosed or claimed in the above-identified patent application, including any improvements thereof, any corresponding domestic applications (e.g., provisional, non-provisional, divisional, continuation, continuation-in-part, reexamination, and/or reissue patent), any corresponding foreign applications, all patents issuing thereon, or other patent application based off or claiming priority to the above-identified patent application, and all rights and benefits under any applicable treaty or convention. I authorize the USPTO and/or IPO (or foreign equivalent thereof) to issue any patent (or similar legal protection) to the Assignee.

I authorize the Assignee to insert in this instrument the filing date and application number of the application when ascertained. I hereby authorize the Assignee (or its designee) to apply for patent (or similar legal protection) in its own name if desired, in any and all countries.

I represent to the Assignee that I have not and shall not execute any writing or do any act whatsoever conflicting with this Assignment. I agree when requested, without additional consideration, but at the expense of the Assignee, to provide additional reasonable assistance necessary to memorialize this assignment, to execute all oaths, declarations, assignments, powers of attorney and other papers necessary to perfect and vest title to the rights assigned herein to the Assignee; and will render all assistance in filing, obtaining, maintaining, and enforcing any patent (or similar legal protection) on the Invention in any and all countries.
