For good and valuable consideration, I do hereby sell, assign, and transfer to **TRIDONIC GMBH & CO KG** ("**Assignee**"), a company organized under the laws of Austria, and located and doing business at Färbergasse 15, 6851, Dornbirn, Austria, and to its legal representatives, successors, and assigns, my entire right, title, and interest in and to the Invention and to all United States and foreign patent applications any of whose claims cover all or part of the Invention, to any prior or provisional application, including any application from which priority is claimed, together with all patents resulting from such applications including any continuations, divisions, reissues, re-examinations and extensions thereof and any applications claiming priority therefrom.
