ASSIGNMENT

WHEREAS, **James JACKSON** a citizen of the United States of America having post A office address of 20733 197th Ave. E. Orting, Washington 98360, has invented systems, apparatus and methods entitled **A MODULAR INTEGRATED TIRE INFLATION HUB SYSTEM AND DEVICE**, hereinafter called the "invention," preferred embodiments of which are disclosed in a United States provisional patent application being assigned application serial no. 17/234,623 and filed on **April 19, 2021**;

WHEREAS, Assignee **IRH INC.**, a Washington limited liability company, organized and existing under the laws of the State of Washington, located at 20733 197th Ave. E., Orting, Washington 98360, is desirous of acquiring the entire right, title and interest in the invention;

NOW THEREFORE, in consideration of one dollar (\$1.00) and other good and valuable consideration paid to me by the Assignee, the receipt and sufficiency of which is hereby acknowledged, I HEREBY ASSIGN TO THE ASSIGNEE:

The entire right, title and interest in said invention and in the above-identified United States patent application and in all divisions, continuations and continuations-in-part of any application claiming priority hereto, any application claiming the benefit of said application, or reissues or extensions of Letters Patent or Patents ultimately granted and claiming priority hereto, and in all corresponding applications filed in countries foreign to the United States, and in all patents issuing thereon in the United States and Foreign countries.

The right to bring legal action for infringement of any patents issuing from the above-identified United States patent application, including past infringement and the right to receive damages for any past infringement.

WHEN RECORDED RETURN TO:

Travis R. Banta (IRH-0001.NP)
TechLaw Ventures, PLLC
3290 West Mayflower Ave
Lehi, Utah 84043

The right to file foreign patent applications on said invention in its own name, wherever such right may be legally exercised, including the right to claim the benefits of the International Convention for such applications.

I hereby authorize and request the United States Commissioner for Patents, and such Patent Office officials in foreign countries as are duly authorized by their patent laws to issue patents, to issue any and all patents on said invention to the Assignee as the owner of the entire interest, for the sole use and behoof of the said Assignee, its successors, assigns and legal representatives.

I hereby agree, without further consideration and without expense to me, to sign all lawful papers and to perform all other lawful acts which the Assignee, or the Assignee's successors, assigns and legal representatives, may request of me to make this Assignment fully effective, including, by way of example but not of limitation, the following:

Prompt execution of all original, divisional, substitute, reissue, and other United States and foreign patent applications on said invention, and all lawful documents requested by the Assignee, or the Assignee's successors, assigns and legal representatives, to further the prosecution of any of such patent applications.

Cooperation to the best of our ability in the execution of all lawful documents, the production of evidence, nullification, reissue, extension, or infringement proceedings involving said invention.

WHEN RECORDED RETURN TO:
