1.2 Interpretation

Legal02#6982911v13[RSL01]

In this Deed (except where the context otherwise requires):

- (a) any reference to a Clause or Schedule is to the relevant clause or schedule of or to this Deed. Any reference to a paragraph is to the relevant paragraph of the Schedule in which it appears;
- (b) the index and clause headings are included for convenience only and shall not affect the interpretation of this Deed;
- (c) use of the singular includes the plural and vice versa;
- (d) any reference to "persons" includes natural persons, firms, partnerships, companies, corporations, associations, organisations, governments, states, foundations and trusts (in each case whether or not having separate legal personality);
- (e) any reference to a statute, statutory provision or subordinate legislation ("**legislation**") shall (except where the context otherwise requires) be construed as referring to such legislation as amended and in force from time to time and to any legislation which re-enacts or consolidates (with or without modification) any such legislation provided that, as between the parties, no such amendment or modification shall apply for the purposes of this Deed to the extent that it would impose any new or extended obligation, liability or restriction on, or otherwise adversely affect the rights of, any party;
- (f) any reference to an English legal term for any action, remedy, method of judicial proceeding, legal document, legal status, court, official or any legal concept or thing shall, in respect of any jurisdiction other than England, be deemed to include a reference to what most nearly approximates in that jurisdiction to the English legal term;
- (g) any phrase introduced by the terms "including", "include", "in particular" or any similar expression shall be construed as illustrative and shall not limit the sense of the words preceding those terms;
- (h) reference to a party includes its successors and permitted assigns;

- (i) reference to "writing" or "written" includes faxes and any non-transitory form of visible reproduction of words (but not e-mail); and
- (j) reference to any agreement or other instrument shall, except where expressly provided to the contrary, include any amendment, variation or novation (in whole or in part).

1.3 Schedules

The Schedules form part of this Deed and shall have effect as if set out in full in the body of this Deed and any reference to this Deed includes the Schedules.

2 ASSIGNMENT

2.1 The Assignor hereby assigns with full title guarantee to the Assignee absolutely all the right, title and interest in and to the Registered Intellectual Property, including:

- (a) the absolute entitlement to any Registered Intellectual Property granted pursuant to any of the applications comprised in the Registered Intellectual Property; and
- (b) the right to bring, make, oppose, defend, appeal proceedings, claims or actions and obtain relief (and to retain any damages recovered) in respect of any infringement, or any other cause of action arising from ownership of any of the Registered Intellectual Property whether occurring before, on or after the date of this Deed;
- (c) all rights to claim priority from the Registered Intellectual Property;
- (d) all rights to any extensions, renewals or amendments to the Registered Intellectual Property;
- (e) the right to file divisional applications based on any Registered Intellectual Property and to prosecute and obtain grant of Intellectual Property right(s) arising from each and any such divisional application;
- (f) where an invention, design or trade mark is disclosed in any Registered Intellectual Property, the right to file an application, claim priority from such application, and

prosecute and obtain grant of a registerable Intellectual Property right or similar protection in or in respect of any country or territory in the world; and

- (g) the right to extend to or register in, or in respect of, any country or territory in the world each and any of the Registered Intellectual Property, and each and any of the applications comprised in the Registered Intellectual Property or filed as aforesaid, and to extend to or register in or in respect of any country or territory in the world any Intellectual Property right granted on any of such applications.

3 FURTHER ASSURANCE

- 3.1 The Assignor shall, perform (or procure the performance of) all further acts and things, and execute and deliver (or procure the execution or delivery of) all further documents, necessary or desirable and requested by the Assignee, in order to ensure that the full benefit of the right, title and interest assigned and transferred to the Assignee under this Deed vests in the Assignee, including registration of the Assignee as applicant or registered proprietor of the Registered Intellectual Property listed in Schedule 1 at the relevant intellectual property registry or authority.
- 3.2 The Assignor shall do the following at the Assignee's direction pending formal registration or recordal of the assignment of the Registered Intellectual Property to the Assignee:
 - (a) at the Assignee's cost, and to the extent that the Assignee is not able to do so, pay all applicable application, filing, registration, renewal and other fees as they fall due; and
 - (b) at the Assignee's cost, and to the extent that the Assignee is not able to do so, pay promptly satisfy all official actions issued by any relevant registry, office or authority.
- 3.3 The Assignor and Assignee undertake to each other to take all such steps, make all such filings and execute any notarial deeds which may be required to give effect to the provisions of Clause 3.
- 3.4 If the Assignor owns any Registered Intellectual Property at the effective date of this Deed or at any time after the effective date of this Deed, the Assignor shall procure the doing of such acts and things as the Assignee shall after the effective date of this Deed reasonably require in order to give effect to the transfer of the Registered Intellectual Property to the Assignor as

at the effective date of this Deed or as soon as possible after the effective date of this Deed for nil consideration.

4 HANDOVER

At the request of the Assignee, the Assignor shall use its reasonable endeavours to provide the Assignee, or the Assignee's nominee, with:

- (a) the work contact details of all key inventors, designers or creators under the Registered Intellectual Property, together with a clear indication as to which Registered Intellectual Property their inventions, designs or creations relate and whether they were or are an employee or consultant of the original applicant of each relevant Registered Intellectual Property right;
- (b) the work contact details of all employees of the Assignor who prosecuted or managed any of the Registered Intellectual Property for the Assignor, together with a clear indication as to which Registered Intellectual Property right they prosecuted or managed; and
- (c) the work contact details of all external professionals who prosecuted or managed any of the Registered Intellectual Property for the Assignor, together with a clear indication as to which Registered Intellectual Property right they prosecuted or managed.

5 GENERAL

5.1 Entire Agreement

This Deed and the BTA together set out the entire agreement and understanding between the parties in respect of the subject matter of this Deed. It is agreed that:

- (a) neither party has entered into this Deed in reliance upon any representation, warranty or undertaking of the other party which is not expressly set out in this Deed;
- (b) neither party shall have any remedy in respect of misrepresentation or untrue statement made by the other party which is not contained in this Deed;

- (c) this clause shall not exclude any liability for, or remedy in respect of, fraudulent misrepresentation.

5.2 Governing law and jurisdiction

- (a) This Deed shall be governed by and construed in accordance with the laws of Sweden without regard to its principles of conflicts of law.
- (b) Any dispute, controversy or claim arising out of or in connection with this Agreement, or the breach, termination or invalidity thereof shall be finally settled by arbitration in accordance with the Rules for Expedited Arbitrations of the Arbitration Institute of the Stockholm Chamber of Commerce.
- (c) The seat of arbitration shall be Stockholm, Sweden.
- (d) The language to be used in the arbitral proceedings shall be English.
- (e) The parties undertake and agree that all arbitral proceedings conducted with reference to this arbitration clause will be kept strictly confidential. This confidential undertaking shall cover all information disclosed in the course of such arbitral proceedings, as well as any decision or award that is made or declared during the proceedings. Information covered by this confidentiality undertaking may not, in any form, be disclosed to a third party without the prior consent by the other party.
