ASSIGNMENT

WHEREAS, We, Stanley Marcinkowski, David Owens, and Doug Marsden ("Assignors"), have invented certain new and useful improvements or discoveries or both as described in an application for Letters Patent of the United States entitled SOLUTION PRODUCTION SYSTEM ("Application") and

☒ about to be filed in the United States Patent Office;

☐ already filed on _____ as U.S. Design Pat. Appl. No. _____; or

☐ patented under U.S. Patent No. _____ on _____.

WHEREAS, HCI CLEANING PRODUCTS LLC d/b/a Force of Nature ("Assignee"), a limited liability company organized and existing under the laws of the State of Delaware and having its principal place of business at 7 Grassy Lane, Westford, MA 01886, desires to acquire the entire right, title and interest therein and to said inventions and said Application, and in and to any Letters Patent to be obtained therefore and thereon;

NOW, THEREFORE, to all whom it may concern be it known that for good and sufficient consideration, the receipt of which is hereby acknowledged, Assignors have sold, assigned, and transferred, and by these presents do hereby sell, assign, and transfer, unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned inventions and Application, including the right to claim priority, and in and to any and all direct and indirect divisions, continuations and continuations-in-part of said Application, and any and all Letters Patent in the United States and all foreign countries which may be granted therefore and thereon, and reissues, reexaminations and extensions of said Letters Patent, and all rights arising under or pursuant to any and all international agreements, treaties or laws relating to the protection of intellectual and industrial property, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended as fully and entirely as the same would have been held and enjoyed by Assignors, had this sale, assignment, and transfer not been made;

AND for the same consideration, Assignors hereby represent and warrant to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignors are the sole and lawful owners of the entire right, title and interest in and to said inventions and said Application, and that the same are unencumbered and that Assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth;

AND for the same consideration, Assignors hereby covenant and agree to and with Assignee, its successors, legal representatives and assigns, to execute all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said inventions, without charge to Assignee, its successors, legal representatives and assigns,

whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise; that any proceeding in connection with said inventions, or said Application, or any proceeding in connection with any Letters Patent or applications for Letters Patent for said inventions in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable;

AND Assignors hereby request the Commissioner for Patents of the United States to issue such Letters Patent as shall be granted upon said Application or applications based thereon to Assignee, its successors, legal representatives and assigns;

AND Assignors hereby grant Danielson Legal LLC the power to insert on this Assignment any further information which may be necessary or desirable in order to facilitate the recording or other processing of this document;

AND Assignors acknowledge an obligation of assignment of the inventions and Application to Assignee at the time the inventions were made.

IN TESTIMONY WHEREOF, we have hereunto set our hands and affixed our seals as set forth below:
