ASSIGNMENT

This Assignment is made by **Bora Akyol**, having a correspondence address of 1219 Cornerstone Drive, El Dorado Hills, California, 95762; **Gautham Ramesh**, 500 Beale Street, Apt. 327, San Francisco, California, 94105; **Lukas Hansen**, having a correspondence address of 2100 Valley View Pkwy., Apt. 118, El Dorado Hills, California, 95762; **Philippe Garneau-Halliday** having a correspondence address of 1568 Madison Street, #11, Oakland, California, 94612; **Brandon Carpenter**, having a correspondence address of 515 Edith Street, Burbank, California, 99323; and **Rahul Mondal**, 2330 Vehicle Dr. #141, Rancho Cordova, California, 95670;

WITNESSETH: That,

WHEREAS, I believe I am an original joint inventor of an invention described U.S. Provisional Patent Application No. 63/020,009 filed on May 4, 2020, in U.S. Patent Application No. 17/120,019 filed on December 11, 2020, and in International Patent Application No. PCT/US20/65347 filed on December 16, 2020, the latter two applications entitled **METHOD FOR CONTROLLING INTEGRATED RENEWABLE ELECTRIC GENERATION RESOURCE AND CHARGE STORAGE SYSTEM PROVIDING DESIRED CAPACITY FACTOR** (with the foregoing U.S. provisional, U.S. non-provisional, and International patent applications being collectively referred to as the Applications); and

WHEREAS, **8me NOVA, LLC**, a limited liability company duly organized and existing under the laws of Delaware and having a principal place of business at 4370 Town Center Blvd., Suite 110, El Dorado Hills California, 95762, United States of America, hereinafter referred to as Assignee, is desirous of acquiring the entire right, title and interest in and to said invention as described in the Application, and any and all Letters Patent which shall be granted based on and claiming priority to the Application;

NOW, THEREFORE, To All Whom It May Concern, be it known that for good and valuable

consideration, the receipt and sufficiency of which is hereby acknowledged, I hereby sell, assign, transfer and set over unto the Assignee, its successors and assigns, the entire right, title and interest in and to the invention and the Application, and in and to any and all domestic non-provisional, international, and foreign patent applications filed on the invention based on and claiming priority to the Application, and in and to any and all Letters Patent of the United States and foreign countries which may hereafter be granted therefor, and in any and to any and all continuations, continuations-in-part, substitutions, divisions or reissues of said Letters Patent, the same to be held and enjoyed by the Assignee, for its interest, and for its own use and behalf, and the use and behalf of its successors and assigns, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by me had this assignment and sale not been made, and I hereby authorize and empower the Assignee, its successors, assigns or nominees to file applications for any Letters Patent or other form of protection on said invention in its own name or in the name of its successor, assignee, or nominee, in any and all countries where it may desire to file such applications and where said applications may be filed by another than the inventor;

And for the consideration aforesaid, I further covenant and agree that, at the time of the execution and delivery of these presents, I have the unencumbered right and authority to make this assignment, and I have not executed any prior assignment or created any encumbrances relating to the Applications mentioned above to any person or entity other than the Assignee identified herein;

And for the consideration aforesaid, I hereby covenant and agree to and with the Assignee, its successors and assigns, that I will, whenever its counsel or the counsel of its successors and assigns, learned in the law, shall advise that an amendment, division, continuation, continuation-in-part, or substitution of, or any other proceeding in connection with said application, including interference proceedings, is lawful and desirable, sign all papers and drawings, take all rightful oaths, and do all acts necessary or required to be done for the procurement of valid Letters Patent for said invention, or for the reissue of the same without charge to the Assignee, its successors or assigns, but at its or

their expense, and I hereby covenant and agree to sign all papers and drawings, take all rightful oaths, and do all acts necessary or required to be done for procurement of Letters Patent, or other form of protection, for said invention or inventions in countries foreign to the United States, and for further investing or confirming the right and title therein to the Assignee, its successors, assignee, or nominee, without charge to the Assignee, its successor, assignee or nominee, but at its or their own expense;

I hereby request the Commissioner for Patents and other applicable patent authorities to issue the Letters Patent in accordance with this instrument;

IN WITNESS WHEREOF, I have hereunto set my hand and seal.
