**RECORDABLE ASSIGNMENT**

j2 Global, Inc., a corporation of Delaware ("Assignor"), is the sole and exclusive owner of the entire right, title and interest in and to the following US and foreign counterpart patents and pending patent applications ("Patents" and "Applications"):

**U.S. Patent Application No. 17/189,088**

Advanced Messaging Technologies, Inc., a corporation of Delaware, doing business at 700 South Flower Street, 15<sup>th</sup> Floor, Los Angeles, California 90017 ("Assignee") desires to acquire the entire right, title and interest in and to the Patents and Applications, and the inventions therein described, from Assignor; Assignor is willing to assign the Patents and Applications and the inventions therein to Assignee;

Now, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, Assignor does hereby assign, transfer and set over to Assignee, the entire right, title and interest in and to the Patents and Applications, and in and to any and all divisional, reissue, substitution, continuation, continuation-in-part, and renewal applications thereof, together with reexamination certificates, extensions and any letters patent that may be granted thereon, within the United States of America and its territorial possessions and within all foreign countries, including the right to sue for damages for infringements of the Patents and of any letters patents that may still be granted and the right to claim the benefit of any earlier filing dates of the Patent and Applications; all these rights are to be held and enjoyed by Assignee, for its own use and enjoyment and for the use and enjoyment of its successors and assigns to the end of the term of any resulting patent as fully and entirely as the same would have been held and enjoyed by Assignor, if this assignment transfer and sale had not been made.
