WORLD-WIDE ASSIGNMENT OF INVENTION

WHEREAS, **Adrian H. Murray**, whose full post office address is 72 Spencer Crescent, London, Ontario, N5X 2K6, Canada (hereinafter "ASSIGNOR") has certain rights, title and interest in and to the invention relating to:

HALOGEN RECOVERY IN A WET PROCESS FOR HALOGENATING UNSATURATED ISOOLEFIN COPOLYMER as described and claimed in the European Patent Application filed December 21, 2018 under application serial no. 18215140.7; and PCT/CA2019/051835 Patent Application filed December 17, 2019.

WHEREAS, **ARLANXEO Canada Inc.** having a principal place of business at **1265 Vidal Street South, Sarnia, Ontario Canada N7T 7M2** (hereinafter "ASSIGNEE"), is desirous of obtaining certain rights, title and interest in, to and under said invention and application.

NOW, THEREFORE, in consideration of the sum of one dollar (\$1.00) to it in hand paid, and other good and valuable consideration, the receipt of which is hereby acknowledged, ASSIGNOR does hereby sell, assign, transfer and set over, unto the said ASSIGNEE, its successors, legal representatives and assigns: all its rights, title and interest throughout the world in and to said invention, all improvements, modifications, additions, and deletions to said invention(s); the above-identified application and all divisional, renewal, substitute, continuation, continuation-in-part and national phase applications thereof; all other applications for Letters Patent in any country throughout the world in and to said invention and improvements, modifications, additions, and deletions to said invention; all corresponding rights, title and interest in and to any Letters Patent which may issue from any of said applications in any country throughout the world and all reissues and extensions thereof; the right to claim for the same priority rights derived from said applications under any international agreements, conventions or treaties and the domestic laws of the country in which any such application is filed, as may be applicable; and the full and complete right to file applications for Letters Patent in the name of the ASSIGNEE, its designee or in ASSIGNOR'S name at the ASSIGNEE's, or its designee's election, on said invention and improvements, modifications, additions, and deletions to said inventions and on any of said applications in all countries throughout the world;

AND ASSIGNOR HEREBY agrees, without further consideration, and upon the request of the ASSIGNEE, its successors and assigns, to execute any and all divisional, continuation, continuation-in-part applications, reissue and substitute applications for said inventions, and improvements, modifications, additions, and deletions thereto, and acknowledge and agree that all rights therein shall vest in the ASSIGNEE, its successors and assigns, whereby said Letters Patent will be held and enjoyed by said ASSIGNEE, its successors and assigns, to the full extent of the term for which said Letters Patent will be granted, as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment had not been made;

AND ASSIGNOR HEREBY authorizes and requests the Commissioner of Patents or the like Official of any country, whose duty it is to issue patents or other evidence of forms of industrial property protection on applications as aforesaid, to issue the same in and to the said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument;

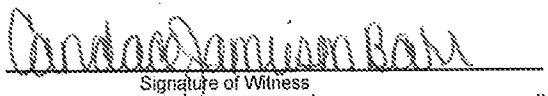

The ASSIGNOR hereby grants to the ASSIGNEE, the power to insert on this assignment any further information which may be necessary or desirable in order to comply with any patent rules or regulations for recordation of this document.
