ASSIGNMENT

WHEREAS, **MOTHERSON INNOVATIONS COMPANY LIMITED**, organized under the laws of Great Britain and having an office for the transaction of business at 35 Great St. Helen's, London EC3A 6AP, Great Britain, ASSIGNOR of any right, title, and interest in and to the inventions described in the patent application entitled "LOGO LAMP ASSEMBLY AND METHOD OF USING SAME," which was filed on May 31, 2018, as U.S. Application No. 15/994,297, and which is identified by Jones Day docket no. 13374-034-999;

and WHEREAS, **SMR Patents S.&A.L.**, ASSIGNEE, organized under the laws of Luxembourg and having an office for the transaction of business at 6, Rue Eugène Ruppert, Luxembourg, LU 2453, is desirous of obtaining the entire right, title and interest in, to and under the said inventions and the said application;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the said ASSIGNOR, has sold, assigned, transferred and set over, and by these presents does hereby sell, assign, transfer and set over, unto the said ASSIGNEE, its successors, legal representatives and assigns, the entire right, title and interest in, to and under the said inventions, and the patent application and all divisions, renewals and continuations thereof, and all Patents of the United States and worldwide which may be granted thereon and all reissues and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may be filed for said inventions in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said patent application under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for said inventions in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; and all right to sue for infringement including past infringement.

AND ASSIGNOR HEREBY authorizes and requests the Commissioner for Patents and any Official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND ASSIGNOR HEREBY covenants and agrees that it has full right to convey the entire interest herein assigned, and that it has not executed, and will not execute, any agreement in conflict herewith.

AND ASSIGNOR HEREBY further covenants and agrees that it will communicate to the said ASSIGNEE, its successors, legal representatives and assigns, any facts known to it respecting said inventions, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, reissue and foreign applications, make all rightful oaths, and generally do everything possible to aid the said ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper protection for said inventions in all countries.

IN TESTIMONY WHEREOF, I hereunto set my hand and seal the day and year set opposite my respective signatures and declare under penalty of perjury under the laws of the United States of America, and under penalty of the laws of any other jurisdiction before which this document may be presented, that I am an officer of the above-identified ASSIGNOR, and that all of the foregoing is true and correct.
