ASSIGNMENT

WHEREAS we, Xiaoming Xu and Stephen A. Costin, the below-named inventors, whose addresses and citizenships are as stated below next to our names, have made an invention in "Antimicrobial Monomers and Polymers, and Their Use in Dental Devices," which invention is the subject of International Application No. PCT/US2014/033268, international filing date April 8, 2014, and claiming the benefit of the priority of United States provisional patent application serial number 61/810,136, filed April 9, 2013 (File No. 9021-80);

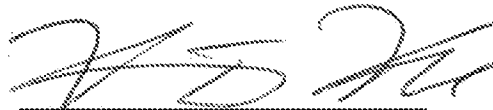

Now, therefore, for good and valuable consideration, receipt of which is acknowledged, each of us has agreed to assign and transfer and does hereby assign and transfer unto the Board of Supervisors of Louisiana State University and Agricultural and Mechanical College, its successors and assigns, his or her entire right, title, and interest in and to the said invention and PCT application, including all national stage applications corresponding to the PCT application in the various countries designated or elected in the PCT application; and in and to any division or continuation of any of the above said applications; and in and to any and all Letters Patent and reissues and extensions thereof, of the United States of America and all other countries (including the right to apply for Letters Patent in any country in its own name, and to claim any priority rights for such applications to which such applications are entitled under international conventions, treaties, or otherwise); including the right to claim priority from United States provisional patent application Serial No. 61/810,136, filed April 9, 2013, and from International Application PCT/US2014/033268, international filing date April 8, 2014, which have been or may be granted on any of the foregoing to be held and enjoyed as fully and exclusively as they would have been by us had this assignment and transfer not been made

We do further agree for ourselves and for our heirs, executors, and administrators, to execute and deliver without further consideration any further applications, oaths, declarations, assignments, and other documents, and to perform such acts as we lawfully may, that may be deemed necessary by the said Board of Supervisors of Louisiana State University and Agricultural and Mechanical College, its successors, assigns, and

nominees, fully to secure its interest as aforesaid and to obtain or maintain Letters Patent in any and all countries;

And we do hereby authorize the Director of the United States Patent and Trademark Office, and any foreign counterpart to the Director, to issue any and all Letters Patent which may be granted upon any of the said applications, to the said Board of Supervisors of Louisiana State University and Agricultural and Mechanical College, as the assignee of the entire interest therein.

In witness whereof, we have hereunto signed our names on the respective dates set forth below.
