## **ASSIGNMENT AND ASSUMPTION OF INTELLECTUAL PROPERTY**

THIS ASSIGNMENT AND ASSUMPTION OF INTELLECTUAL PROPERTY is made and entered into this 1st day of April, 2015, by and between by Advent Aerospace, Inc., a Delaware corporation ("Assignor") and Advent Aircraft Systems, Inc., a Delaware corporation ("Assignee").

WHEREAS, Assignor and Assignee entered into that certain Separation and Contribution Agreement dated as of April 1, 2015 (the "Separation Agreement"), pursuant to which among other things, Assignor agreed that it will sell, assign, transfer and deliver to Assignee all of the intellectual property described on Schedule 2.2.5 thereto, which is used primarily in the operation of the Business, and all inventions and trade secrets arising under common law and all unregistered copyrights, in each case, that are used primarily in the Business (the "Intellectual Property") and (ii) all right, title and interest in software described on Schedule 2.2.6 thereto, which is used primarily in the Business (the "Software" and, together with the Intellectual Property, the "IP Assets").

WHEREAS, in accordance with the terms of the Separation Agreement, Assignor wishes to assign to Assignee, and Assignee wishes to assume from Assignor, all of Assignor's right, title and interest in the IP Assets.

WHEREAS, capitalized terms used herein and not otherwise defined shall have the meanings assigned to them in the Separation Agreement.

NOW, THEREFORE, for and in consideration of the mutual covenants and agreements contained herein, the receipt and sufficiency of which is hereby acknowledged, the parties hereby agree as follows:

1. Assignor hereby transfers, conveys, grants, assigns and delivers to Assignee, Assignor's entire right, title and interest in and to the IP Assets, and Assignee hereby assumes and agrees to discharge and perform all of the obligations and liabilities of Assignor associated with such IP Assets, accruing as of and after 12:00 a.m. Eastern Time on the date hereof, it being understood that nothing contained in this document shall bind Assignee with respect to any liabilities or obligations of Assignor not specifically assumed herein.

2. The parties hereby covenant and agree to execute such further documents and instruments and to take such additional actions as may reasonably necessary to assign, convey and transfer the aforementioned liabilities and obligations.

3. This Assignment and Assumption of Intellectual Property is intended to evidence the consummation of the transactions contemplated by the Separation Agreement. This Assignment and Assumption of Intellectual Property is made without representation or warranty except as provided in and by the Separation Agreement. This Assignment and Assumption of Intellectual Property is in all respects subject to the provisions of the Separation Agreement and is not intended in any way to supersede, limit or qualify any provision of the Separation Agreement.

4. This Assignment and Assumption of Intellectual Property may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.
