This RELEASE OF PATENT SECURITY INTEREST ("**Release**") is made and retroactively effective as of October 23, 2020 by Exact Sciences Corporation, a Delaware corporation, as the then secured party (the "**Secured Party**") under the Loan Agreement referred to below, in favor of Biomatrix, Inc., a Delaware corporation (the "**Grantor**") and its successors, assigns and legal representatives.

WHEREAS, pursuant to that certain Senior Secured Promissory Note and Security Agreement dated as of June 14, 2018 (the "**Loan Agreement**") between the Grantor and the Secured Party, the Grantor executed and delivered to the Secured Party that certain Intellectual Property Security Agreement by and between the Grantor and the Secured Party dated as of June 14, 2018 (the "**Patent Security Agreement**");

WHEREAS, pursuant to the Loan Agreement and Patent Security Agreement, the Grantor pledged and granted to the Secured Party for the benefit of the Secured Party a security interest in and to all of the right, title and interest of such Grantor in, to and under the Patent Collateral (as defined below);

WHEREAS, the Patent Security Agreement was recorded with the United States Patent and Trademark Office at Reel 046120, Frame 0869 on June 18, 2018; and

WHEREAS, the Grantor has requested that the Secured Party enter into this Release in order to evidence and record the release and reassignment to the Grantor of any and all right, title and interest in the Patent Collateral as effectuated by the Secured Party's acquisition of Grantor as a wholly owned subsidiary and repayment of debt on October 2, 2018.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Secured Party hereby states as follows:

1. Release of Security Interest. The Secured Party hereby evidences and records the termination of the Patent Security Agreement and release of any and all security interests that it had pursuant to the Loan Agreement and Patent Security Agreement in any and all right, title and interest that it had in, to and under the following (collectively, the "**Patent Collateral**");

(a) any and all patents, patent applications and other patent rights and any other governmental authority-issued indicia of invention ownership, in the patents and patent applications listed in Schedule 1 hereto, and all reissues, divisions, continuations, continuations-in-part, renewals, extensions and reexaminations thereof and amendments thereto (the "**Patents**");

(b) all rights of any kind whatsoever of such Grantor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world;

(c) any and all license and other agreements in which such Grantor has granted or is granted a license or other right under any Patent;

(d) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

(e) any and all claims and causes of action, with respect to any of the foregoing, whether occurring before, on or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Governing Law. This Release and any claim, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Release and the transactions contemplated hereby shall be governed by, and construed in accordance with, the laws of the United States and the State of Delaware, without giving effect to any choice or conflict of law provision or rule.

IN WITNESS WHEREOF, Secured Party has caused this Release to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.
